

FIFTEENTH CONGRESS )  
REPUBLIC OF THE PHILIPPINES )  
First Regular Session )

HOUSE OF REPRESENTATIVES

House Bill No. 1660

---

*Introduced by Representative Rufus B. Rodriguez and  
Representative Maximo B. Rodriguez, Jr.*

---

**EXPLANATORY NOTE**

Education is the prime motive force for the development of a nation. This is recognized by the Constitution by making education the foremost concern of the State and by providing access for academic and technical development the responsibility of the government.

This bill aims to recognize and provide the mechanism for the establishment and propagation of the open and distance learning educational mode in the Philippines. This bill entrusts the University of the Philippines Open University to be the vanguard for the development of this learning system. The University shall assist and provide the necessary expertise for schools wishing to create learning programs.

This learning mode will provide access to those who wish to enhance their academic and technical training without being bound by the logistical difficulties present in our educational landscape.

The passage of this bill is most earnestly urged.

  
RUFUS B. RODRIGUEZ

  
MAXIMO B. RODRIGUEZ, JR.

AN ACT

TO IMPROVE ACCESS TO EDUCATION THROUGH OPEN LEARNING AND  
 DISTANCE EDUCATION IN POST SECONDARY AND TERTIARY LEVELS IN  
 THE PHILIPPINES, APPROPRIATING FUNDS THEREFOR AND FOR OTHER  
 PURPOSES

*Be it enacted by the Senate and House of Representatives of the Philippines in  
 Congress Assembled:*

**SECTION 1. Short Title.** – This Act shall be known as the “**Open Learning  
 and Distance Education Act of 2010.**”

**SEC. 2. Declaration of Policy.** – It is hereby declared the policy of the State to  
 expand and further democratize access to quality education at the post secondary  
 and tertiary levels through the promotion and application of open learning as a  
 philosophy of access to educational services, and the appropriate, efficient and  
 effective implementation of distance education as a system of delivering quality post  
 secondary and tertiary educational services in the country.

**SEC. 3. Definition of Terms.** – For purposes of this Act, the following terms  
 are hereby defined:

- (a) Open Learning – A philosophy of learning that is quality-assured,  
 open to people, methods, places and ideas, and is highly flexible  
 and learner-centered, enabling the latter to learn at the time, place  
 and pace which satisfy his/her circumstances and requirements;
- (b) Distance Education – is a mode of educational delivery whereby the  
 teacher and learner are separated in time and space, and the  
 instruction is delivered through specially designed materials and  
 methods using appropriate technologies and learning management  
 systems and supported by organizational and administrative  
 structures and arrangements. It enables learning to take place from  
 a distance, virtually and differently from the conventional classroom  
 or traditional mode;
- (c) Open University/College/Institution – refers to a higher education  
 institution that is a separate, autonomous, and degree-granting

- academic entity which employs operational procedures and strategies of an open learning institution;
- (d) Center/Institute/School of Distance Education – refers to a subsidiary of a higher education institution which offers distance education programs, but is not qualified to be called an Open University, and whose degrees are awarded by the mother university;
  - (e) Higher Education Institution - refers to an institution of higher learning in the Philippines which primarily offers degree-granting programs, including post secondary degree granting vocational and technical institution duly recognized by the Commission on Higher Education
  - (f) Tertiary Education – shall refer to the higher learning level after high school offering baccalaureate, graduate or post-graduate programs;
  - (g) Post Secondary Education - shall refer to non-degree technical-vocational programs accredited by the Technical Education and Skills Development Authority;
  - (h) Technical-Vocational Programs - shall refer to post secondary certificate courses, officially recognized as non-degree programs aimed at preparing technicians, paraprofessionals and other categories of middle-level workers by providing them with a broad range of general education, theoretical, scientific and technological studies, and related job skills training.

**SEC. 4. Institutionalization of Distance Education.** – Distance Education is hereby institutionalized in the Philippines in accordance with the provisions of this Act.

**SEC. 5. Coverage.** This Act shall apply to public and private higher education institutions (HEIs) and post secondary technical/vocational schools in the Philippines which have existing open learning and distance education programs, and to other tertiary and technical/vocational institutions which shall later be authorized as qualified implementers of open learning and distance education programs.

**Sec. 6. Admission and Other Academic Policies and Requirements.** – Admission and other academic policies and requirements in HEIs offering tertiary education through distance education programs shall be governed by a set of policies, standards and requirements set for tertiary education by duly authorized academic bodies such as Board of Regents/Trustees, University/Faculty Councils, and/or the Commission on Higher Education, and for technical-vocational courses in the post secondary level by the Technical Education and Skills Development Authority such as, but not limited to, the following:

- (a) Completion of secondary education;
- (b) Passing an entrance examination given by the HEI or post secondary school; and
- (c) Compliance with the other admission requirements of the admitting higher education or post secondary institutions that are instituted in accordance with the standards set by the CHED and TESDA, respectively.

**SEC. 7. Program, Curriculum and Course Development Offerings and Requirements.** – Open learning programs, curricula and courses developed and offered in distance education mode shall be subjected to similarly high standards, policies and guidelines imposed on traditional or conventional tertiary education programs, curricula and courses to ensure equivalence in quality and substance of both distance and traditional or conventional modes of education.

There shall be defined a set of courses/subjects and/or examinations, and/or special projects and activities, the completion of which shall be required for graduation from the academic degree program, and which shall be equivalent to those under the conventional mode of instruction.

(a) The place, pace, and mode of study of the student shall be at the option and convenience of the student within the time frame as may be prescribed by the learning institution: *Provided*, that, the content, context and conduct of examination shall be determined by the institution;

(b) The institution concerned shall formulate and implement a mechanism to monitor the academic progress of the students;

(c) The curricular offerings using the open learning philosophy which are offered through the distance education mode shall conform to respective policies, standards, and guidelines for distance education of CHED and TESDA;

(d) Completion of all the requirements for the academic program shall be evidenced by the award of the appropriate academic degree;

(e) For the practice of the profession for which one has acquired the necessary academic credentials through distance education, the existing requirements of passing a board examination shall apply.

**SEC. 8. Mode of Delivery.** Open Learning/Distance Education may be delivered using information and communications technology and other approaches, such as but not limited, to the following:

(a) Print – textbooks, study guides, workbooks, course syllabi, correspondence feedback, and other print formats;

(b) Audio-Visual – radio, audio cassettes, slides, film, videotapes, television, telephone, fax, audio-conferencing, and video-conferencing;

(c) Electronic/Computer Technology and Virtual Classrooms – CD-ROM, electronic mail, e-bulletin boards, world-wide web, E-learning or online learning management systems; and

(d) Face-to-face sessions – conducted in learning and study centers.

**SEC. 9. Support to Open Learning and Distance Education Programs.** – The CHED and the TESDA shall provide support to higher education institutions and post secondary schools, respectively, with open learning and distance education programs, such as, but not limited to the following:

(a) Training of qualified teachers in open learning and distance education programs and materials;

(b) implementation of relevant curricular programs;

(c) Development of appropriate learning materials;

(d) Acquisition of technology;

(e) Provision of suitable student support services;

(f) Development of suitable learning management systems or platforms;

- (g) Formal linkages with other appropriate institutions that can host learning or testing centers.

**SEC. 10.** Support to Students. – Any student enrolled in open learning and distance education programs under the auspices of this Act, shall have access to all privileges, opportunities and entitlements that a student similarly situated under the conventional system of instruction may have access to, including, but not necessarily be limited to, availment of scholarships, grants, and loans from the government or government-administered funding sources. Specifically, higher education institutions and post secondary schools engaged in open learning and education programs shall be tasked to perform the following student support services:

- (a) Provide clear admission policies and procedures for applicants;
- (b) Maintain faculty-student dialogue and interactivity through virtual classrooms linked electronically or through established learning centers or both, whichever may be feasible, to ensure greater knowledge sharing, access. Counseling, and the provision of other support services;
- (c) Provide for an efficient and reliable communication system, feedback mechanism, especially on learners' academic progress, and multimedia support;
- (d) Show evidence of regular monitoring of learners' progress; and
- (e) Provide a wide range of relevant, updated and accessible learning resources that are easily accessible to students.

**SEC. 11.** Role of the University of the Philippines Open University (UPOU). The University of the Philippines Open University, hereinafter referred to as the UPOU, shall be designated as the National Open University. As such, it shall:

- (a) Provide leadership in the development of open learning and distance education expertise in the country and in the appropriate use of information and communications technologies in support of quality higher education;
- (b) Promote best practices in open learning and distance education in the Philippines;
- (c) Share knowledge through informed and innovative research and other development activities related to distance education through its exemplar policies, programs, materials, learning management systems guidelines and offerings;
- (d) Design model curricular programs which shall serve as prototype programs upon which similar programs to be offered by other HEIs in the country shall be patterned after;
- (e) Assist CHED and TESDA in the formulation of national policies, standards, and guidelines for distance education;
- (f) Develop and promote appropriate information and communication technologies to facilitate quality open learning and distance education programs in the country;
- (g) Design and produce quality learning materials and objects, both in print and multimedia formats, for higher education instruction in the country;
- (h) Make instructional materials for distance education programs accessible to the public through collaborative arrangements, and other appropriate mechanisms;

- (i) Assist other interested educational institutions in developing their distance education programs, courses, and materials for specific learner groups or the public at large; and
- (j) Provide technical assistance to CHED and TESDA on matters relating to distance education policies, guidelines and standards, particularly in implementing an accreditation system for open learning and distance education programs and institutions in the country;
- (k) Design and implement a continuing program to develop high level expertise in the fields of open learning and distance education in the Philippines through quality formal academic degree programs and non-formal courses through either or both distance and face-to-face modes of instruction and training; and
- (l) Help capacitate distance education teachers and practitioners through its capacity building and professionalization programs.

**SEC. 12. Roles of the Commission on Higher Education (CHED) and the Technical Education and Skills Development Authority (TESDA).** – The CHED and TESDA shall be the respective authorities to identify the HEIs and post secondary schools which shall be allowed to offer distance education programs and be given allocation for the continued implementation of these programs. As such, they shall:

- (a) Formulate, promulgate, disseminate and implement the necessary policies, standards, guidelines, rules and regulations for the effective implementation of distance education in the country;
- (b) Formulate and implement strategies to improve the quality of distance education programs and implement a system of quality control for open learning and distance education in the country;
- (c) Monitor and evaluate existing open learning and distance education programs and effect the continuation or closure of programs in accordance with the provisions of the implementing rules and regulations for distance education in the country;
- (d) Review and approve or disapprove proposals from higher education institutions for the implementation of new distance education programs; and
- (e) Recommend to the Department of Budget and Management (DBM) the budget for distance education programs of qualified state higher education institutions and public post secondary schools based on the respective monitoring and evaluation results of the CHED and TESDA.

**SEC. 13. Roles of Broadcast Media and Telecommunications Networks.** – Broadcast media and telecommunications networks are encouraged to provide as much assistance and cooperation to higher education institutions offering open learning and distance education programs. Such assistance may include, but not necessarily be limited to, the transmission of learning materials for formal and non-formal courses to learners not only within the Philippines, but also outside the country.

**SEC. 14. Tax Incentives.** – Private entities such as private schools, broadcasting companies, telecommunications networks and others which shall provide appropriate materials, time and delivery support services for the promotion of open learning and distance education in partnership with higher education

institutions delivering academic degree programs through distance education, shall be given corresponding tax credits in accordance with existing rules and regulations.

**SEC. 15. *Implementing Rules and Regulations.*** – The Commission on Higher Education, through its Technical Panel for Distance Education, and the Technical Education and Skills Development Authority, in consultation with relevant stakeholders in higher and technical education, are hereby mandated to formulate the rules and regulations to implement this Act within a period of ninety (90) days from the effectivity thereof.

**SEC. 16. *Appropriations.*** – For the initial implementation of this Act, the amount of P150 Million (P150,000,000.00) shall be allocated from the President's Social Development Fund or from other sources, to the CHED, TESDA and the UPOU at 40 percent, 40 percent and 20 percent share, respectively. Thereafter, such funds necessary for the continuous implementation of this Act shall be included in the respective budgetary allocations of the CHED, TESDA and the UPOU in the annual General Appropriations Act.

**SEC. 17. *Separability Clause.*** - If any provision of this Act or any part thereof be declared unconstitutional or invalid, the same shall not affect the validity of the other provisions of this Act.

**SEC. 18. *Repealing Clause.*** – All laws, decrees, orders, rules and regulations or parts thereof which are inconsistent with the provisions of this Act are hereby repealed, amended or modified accordingly.

**SEC. 19. *Effectivity.*** – This Act takes effect fifteen (15) days after its publication in the Official Gazette or in at least two newspapers of general circulation.

*Approved,*
