

SEVENTEENTH CONGRESS OF THE REPUBLIC )  
OF THE PHILIPPINES )  
First Regular Session )

HOUSE OF REPRESENTATIVES  
H.B. No. 252

Introduced by Representative Herminio Harry L. Roque Jr.

**AN ACT  
REQUIRING FULL FINANCIAL DISCLOSURE FROM ALL ENTITIES AND  
ORGANIZATIONS RECEIVING GOVERNMENT FUNDS**

**EXPLANATORY NOTE**

The Constitution, Article 2, Sections 27 and 28 provide:

SEC. 27. The State shall maintain honesty and integrity in the public service and take positive and effective measures against graft and corruption.

SEC. 28. Subject to reasonable conditions prescribed by law, the State adopts and implements a policy of full public disclosure of all its transactions involving public interest.

Further, the Constitution, Article 3, Section 7 states:

The right of the people to information on matters of public concern shall be recognized. Access to official records, and to documents and papers pertaining to official acts, transactions, or decisions, as well as to government research data used as basis for policy development, shall be afforded the citizen, subject to such limitations as may be provided by law.

The grant of government funding to entities or organizations should be a transparent process so that taxpayers will have the ability to know exactly how their money is being spent and, with that greater transparency, will come greater accountability.

This bill seeks to statutorily establish and maintain a websites that contains information on all Government financial assistance and expenditures that include grants, contracts, sub-grants, subcontracts, loans, awards, cooperative agreements, purchase orders, task orders, delivery orders, and other forms of financial assistance accessible to our constituents.

This bill expands upon E-Government management tools by making all government funding awards, grants, contracts and loans, easily searchable on a public website.

This new tool will be a valuable asset in the continuing effort to spend the taxpayers' dollars wisely, without waste and without misuse.<sup>1</sup>
