REGISTRATION UNIT BILLS AND INDEX SERVICE	

Introduced by **REP. EVELINA G. ESCUDERO**

EXPLANATORY NOTE

This bill seeks to create a Forensic Science Institute in the University of the Philippines System (1) To promote research and development in the various fields of forensic science and advance the search for truth; (2) To enhance the competence and capabilities of existing laboratories in the country and prepare them for accreditation; (3) To develop a corps of professionals and prepare them for a career in forensic science; and (4) To train and upgrade the technical, scientific and management skills of personnel presently involved in forensic science so as to improve the administration of justice.

Forensic science, often known as forensics, applies a broad spectrum of sciences and technologies to investigate and establish facts of interest in relation to criminal or civil law

As such, it is a specialized subject with unlimited applications and thus of inherent interest to the justice system. Other countries have already made steps in developing their forensic science capabilities and have already begun reaping the rewards with better techniques in evidence gathering and airtight cases in litigation.

Thus, earnest passage of this bill is sought.
