

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

17th CONGRESS
First Regular Session

HOUSE BILL NO. 433

Introduced by **REP. EVELINA G. ESCUDERO**

EXPLANATORY NOTE

The Congress is mandated under law to undergo a mandatory review of Republic Act No. 7160 otherwise known as the Local Government Code of 1991.

With multiple consultations with concerned constituents nationwide, it is clearly determined that revisions to the Local Government Code of 1991 should be introduced to rationalized agricultural services.

The recent passage of Republic Act No. 8435 also known as the Agriculture Modernization Act of 1997 makes it essential that the Department of Agriculture, the leading department tasked to implement the law, for its monitoring and data gathering requirements, shall have complete administrative control, regulation and supervision over all personnel in the field involved in agriculture and fishery, so that the objectives of the Agriculture and Fisheries Law will be effectively implemented. More so, the DA devolved agricultural extension workers are a potent force that can be utilized to pole vault the country's present agricultural growth to fast growing agricultural-based economy.

Most of the time, the government has always prioritized agricultural productivity and in order to address this, it is necessary to amend certain provisions of the Local Government Code for effective and efficient implementation of its program thrusts.

With the above cited reasons, the urgent passage of this measure is earnestly requested.
