SEVENTEENTH CONGRESS
First Regular Session

House Bill No. 738

Introduced by DIWA Party-list Representative Emmeline Y. Aglipay – Villar

EXPLANATORY NOTE

Our Constitution states that, “The State affirms labor as a primary social economic force”. This notwithstanding, we are still far from resolving our unemployment and underemployment problems. In order to help address this issue, we have to be creative in devising different strategies and exploring new ideas in approaching this problem.

This bill, a re-filing of House Bill No. 6414 based on Committee Report No. 992 of the House Committee on Labor and Employment last 16th Congress, seeks to amend Republic Act No. 9547 entitled, “Special Program for the Employment of Students” such that the employment opportunities provided by any entity employing at least 10 persons have been extended to out-of-school youth and dependents of displaced workers or would-be displaced workers, who intend to enroll in any secondary, tertiary, or technical-vocational institutions.

Furthermore, the bill also states that 60% of the salary of the employee shall be paid by the employer in cash and 40% by the government also in cash directly to the student or through financial facilities, subject to the existing rules on procurement which shall be applicable in the payment for the student’s tuition fees, books, and other education-related expenses including their daily allowance in going to school.

Other significant improvements to the existing law has been incorporated into this bill with the intention of empowering our youth and improving their quality of life by providing them with adequate employment and training opportunities. For these reasons, approval of this bill is earnestly sought.
