

Republic of the Philippines
HOUSE OF REPRESENTATIVES

SEVENTEENTH CONGRESS
First Regular Session

House Bill No. 767

Introduced by DIWA Party-list Representative Emmeline Y. Aglipay – Villar

EXPLANATORY NOTE

Ensuring that the most basic needs of the people are met should be the priority of the government, and there are few needs as basic as the need for food. This is particularly important for children, considering that proper nutrition is essential for their mental and physical development.

This bill, based on House Bill No. 6062, filed by Rep. Leni Gerona-Robredo last 16th Congress, with minor changes on the qualifications of the Chairperson of the Food Council, attempts to vastly improve the nutrition received by Filipino children, and to do so in a way that also supports our Small Scale Producers, creating a mutually beneficial system moving forward.
