EXPLANATORY NOTE

Education is the key that allows people to move up in the world, seek better jobs, and ultimately succeed fully in life. Education is very important, and no one should be deprived of it.

The Constitution mandates the State to protect and promote the right of all citizens to quality education at all levels and to take appropriate steps to make such education accessible to all.

This bill seeks to convert the Tinalmud High School into the Tinalmud National High School with the end view of promoting quality education as envisioned by the Constitution as the Municipality of Pasacao does not have sufficient funds to support the needs of the school and its students. Due to this situation, the school and its students are currently suffering form lack of facilities, materials and qualified faculty. There is an urgent need, therefore, to pass the burden to the national government if only to pursue the constitutional mandate of promoting the right of citizens to quality education.

In view of the foregoing reasons, the approval of this bill is earnestly sought.
