EXPLANATORY NOTE

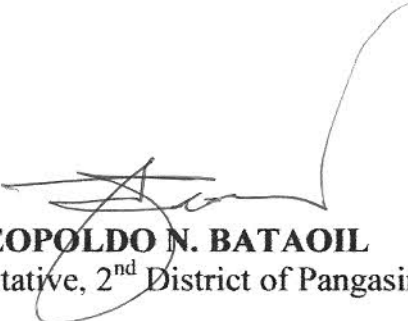

This bill seeks to further amend Presidential Decree 1146, AMENDING, EXPANDING, INCREASING AND INTEGRATING THE SOCIAL SECURITY AND INSURANCE BENEFITS OR GOVERNMENT EMPLOYEES AND FACILITATING THE PAYMENT THEREOF UNDER COMMONWEALTH ACT NO. 186, AS AMENDED, AND FOR OTHER PURPOSES, for the purpose of amending the definition of secondary beneficiaries as well as expanding the maternity benefits of the women workers in the public sector.

It is a declared policy of the state to "protect working women workers by providing safe and healthful working conditions, taking into account their maternal functions, and such facilities and opportunities that will enhance their welfare and enable them to realize their full potential in the service of the nation." More so, the state recognizes the role of the women in nation building and shall ensure the fundamental equality before the law of women and men (Sec. 14, Art XIII)

Moreover, the Philippines is likewise committed to the policy adopted by the International Labor Organization to "adopt maternity benefits sufficient for the full and healthy maintenance of the woman and her child in accordance with a suitable standard of living. (ILO Convention No. 103, Article 4 (2))

Unfortunately, women employees working in the government do not enjoy the same privileges enjoyed by workers in the private sector.

Hence, the passage of this bill is earnestly sought for.
