EXPLANATORY NOTE

This bill seeks to convert the existing Land Transportation Office (LTO) Extension Office located in Muntinlupa City into a Regular LTO District Office.

The volume of motor vehicles not only in Metro Manila but in the entire country has increased over the years. This is evident in the City of Muntinlupa through the increase in the number of daily motor vehicle registrations and driver licensing transactions at the LTO Extension Office. In order that Muntinlupeños may be better served by this office, there is an urgent need to upgrade it into a Regular LTO District Office. Said conversion will ensure that the new regular office will have its own plantilla of permanent personnel, modern and technologically advanced equipment, and the necessary funding for its personnel services, maintenance and other operating expenses. This in turn is envisioned to translate into a more effective and efficient delivery of services to the motoring public in Muntinlupa City. Application or renewal of licenses and registration of vehicles or like permits relative to land transportation would become less cumbersome.

With this proposed measure, the objective of rationalizing the transport system in the area through the promotion of safe, convenient, reliable and economical services which are critical factors in support of the city's development programs would hopefully be achieved.

In view of the foregoing and with the full support of the Local Government Unit of Muntinlupa City, the immediate passage of this bill is earnestly sought.
