Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 45

Introduced by REP. FRANCISCO “KIKO” B. BENITEZ, Ph.D.

EXPLANATORY NOTE

The Island of Visayas is popularly known, here and abroad, as a popular tourist destination. It is known for its local delicacies, beautiful people and white sand beaches. When we think of Visayas, the cities and places that come to mind are Boracay, Cebu, Bohol, and Negros, to name a few. Yet, as of 31 March 2017, there are 39 cities and 369 municipalities in Visayas. Of the 369 municipalities, 278 are left behind in terms of economic growth and development thus identified as 3rd to 6th class municipalities. All these 408 cities and municipalities, given the right opportunity for growth will definitely exceed their maximum potential for development.

This humble representation notes, that the approved Philippine Development Plan 2017-2022 puts high premium on inclusive growth. The Philippine Development Plan contains seven main parts articulated through chapters which include Inequality-Reducing Transformation, Increasing Growth Potential, Enabling and Supportive Economic Environment, and Foundations for Inclusive and Sustainable Development, among others.

This Bill seeks to encourage investors to help those 3rd to 6th class municipalities in Visayas through investment by providing incentives through lowering the corporate income tax for corporations located in a 3rd to 6th class municipality and which are subsequently engaged in agro-industrial, industrial, commercial, tourist, banking, investment, and financial enterprises.

Accordingly, it is imperative that this Congress, in the exercise of its mandate and in the performance of its duty to affect inclusive and sustainable growth, take all necessary actions to make sure that growth includes all, affects all, and reaches all. One Visayas, Equal Visayas.
