EXPLANATORY NOTE

This bill seeks to amend the allocation of income on taxes earned within the Clark Special Economic Zone (CSEZ). Businesses within the CSEZ currently enjoy a 5% gross income earned tax in lieu of all other national and local taxes. At present, the allocation of gross income tax earned in the CSEZ are as follows: 3% to the national government and 2% to the municipality or city where the business is located.

Under this bill, 1% will be remitted to the national government, 1% to be equally shared by the provincial governments of Pampanga and Tarlac, 1% to municipalities or cities, and 2% to the governing body of the CSEZ or the Clark Development Corporation.

This new allocation formula aims to equitably diffuse income opportunities that will serve as additional funding source for the development and promotion of the CSEZ.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
