EXPLANATORY NOTE

Movie producers invest a lot of money to produce a movie. Local movie producers shall be given the opportunity to get their return of investment. Unfortunately, local movies tend to lose their avenue over major foreign films. This bill seeks the State and movie theater owners to support local movie producers to encourage and motivate them to make more films which in turn will create more job opportunities for the Filipinos. Moreover, more local movies produced and shown in theaters will entice younger generation to watch original Filipino movies that will foster patriotism and nationalism in them.

In view of the foregoing provisions, the approval of this bill is earnestly recommended.
