Republic of the Philippines  
HOUSE OF REPRESENTATIVES  
Quezon City  

EIGHTEENTH CONGRESS  
First Regular Session  

HOUSE BILL NO. 174  

Introduced by: Hon. Angelina "Helen" D.L. Tan, M.D.  

AN ACT  
DECLARING THE TIME BETWEEN TEN IN THE EVENING AND FIVE IN THE MORNING AS UNSAFE HOURS, PROHIBITING THE LOITERING, ROAMING AROUND, SLEEPING OR MEANDERING OF CHILDREN IN PUBLIC PLACES DURING THESE HOURS, PRESCRIBING PENALTIES FOR VIOLATIONS COMMITTED BY THEIR PARENTS OR GUARDIANS, AND APPROPRIATING FUNDS THEREFOR  

EXPLANATORY NOTE  

The 1987 Constitution mandates that: "The maintenance of peace and order, the protection of life, liberty, and property, and the promotion of the general welfare are essential for the enjoyment by all the people of the blessings of democracy." (Article II, Sec. 5).  

It also provides in Article II, Section 13 that, "The State recognizes the vital role of the youth in nation building and shall promote and protect their physical, moral, spiritual, intellectual, and social well-being. It shall inculcate in the youth patriotism and nationalism; and encourage their involvement in public and civil affairs.”  

The potential of the youth to make lasting contributions to nation building is unparalleled. Yet, some serious flaws have appeared in our social and cultural fabric, characterized by destructive behaviors among some of our youth that are damaging their lives and that of our country as well as the ability of this generation to achieve its full potential.  

The alarming increase in the incidence of crimes committed by and against minors necessitates the implementation of a measure that will reduce opportunities for juvenile crime to thrive in the country and ensure the safety and well-being of our young people.  

Hence, this measure seeks to promote the well-being of children and their families by ensuring their collective safety and self-esteem; protecting children from deleterious effects of unsupervised social activities outside the safety of the home; reducing the time when children could be used as instruments of crime; and protecting children from being victims of crime, abuse, and other forms of exploitation.  

The bill declares as unlawful for parents or guardians to allow unchaperoned children to loiter, roam around, or sleep in any public place from 10:00 p.m. to 5:00 a.m. without justifiable reason. It also encourages involvement of the community members to ensure safety of children during unsafe hours by reporting
to authorities the presence of unchaperoned children in public places in order to provide all children with a healthy, safe and nurturing environment that presents opportunities and conditions for developing their full potential.

Although there is no dearth of local ordinances on the subject all over the country, there is a need to enact a national legislation on curfew for minors consistent with the policy pronouncements of President Rodrigo Duterte in curbing criminality in the country.

In view thereof, approval of this bill is earnestly requested.
