EIGHTEENTH CONGRESS

First Regular Session

House Bill No. 205

Introduced by Representative Jose Enrique S. Garcia III

EXPLANATORY NOTE

The Special Education Fund (SEF) was originally established under Republic Act (RA) 5447 to contribute to the financial support of the goals of education as provided by the Constitution. The SEF was later entrenched in R.A. 7160 as a source of fund for the supplementary budgetary needs for the operation and maintenance of public schools.

Like R.A. 5447, however, Section 272 of R.A. 7160 limited the use of the SEF only to a few expenditure items, to wit:

SEC. 272. Application of Proceeds of the Additional One Percent SEF Tax. – The proceeds from the additional one percent (1%) tax on real property accruing to the Special Education Fund (SEF) shall be automatically released to the local school boards: Provided, That, in case of provinces, the proceeds shall be divided equally between the provincial and municipal school boards: Provided, however, That the proceeds shall be allocated for the operation and maintenance of public schools, construction and repair of school buildings, facilities, and equipment, educational research, purchase of books and periodicals, and sports development as determined and approved by the Local School Board.

More than 50 years after it was established, the classes of expenses as well the priorities that need to be addressed by the country’s public school system have expanded and the funding required have multiplied exponentially. The burden is exacerbated by the perennial inadequacy of national appropriation to cover the growing financial requirements of public elementary and secondary schools. Thus, expanding the expenditure items on which the proceeds of the SEF may be allocated could provide the much-needed relief.

Support for this bill is therefore earnestly sought from my colleagues.

REP. JOSE ENRIQUE S. GARCIA III
