EXPLANATORY NOTE

Efforts to pass a law instituting reforms in real property valuation and assessment date back to the 15th Congress, with the House of Representatives approving a valuation and assessment reform bill on third reading in the 15th and 16th Congresses. In the 17th Congress, the House of Representative again approved this bill on third reading. However, the Senate was again unable to take action on it.

There is an urgent need to improve the country’s real property valuation and assessment system and reorganize and strengthen the Bureau of Local Government Finance in order to effect such improvement. If enacted into law, this measure will support the long-term revenue efforts of the government through an institutionalize uniform valuation standards that is consistent with generally accepted international valuation standards, regulations, and specifications for real property appraisal used for taxation.

Hence, the strong support of the Members for the passage of this measure is earnestly sought.

XAVIER JESUS D. ROMUALDO
Republic of the Philippines  
HOUSE OF REPRESENTATIVES  
Quezon City  

EIGHTEENTH CONGRESS  
First Regular Session  
HOUSE BILL NO. 0343  

INTRODUCED BY REPRESENTATIVE XAVIER JESUS D. ROMUALDO  

AN ACT  
INSTITUTING REFORMS IN REAL PROPERTY VALUATION AND ASSESSMENT IN THE  
PHILIPPINES, REORGANIZING THE BUREAU OF LOCAL GOVERNMENT FINANCE, AND  
APPROPRIATING FUNDS THEREFOR  

Be it enacted by the Senate and House of Representatives of the Philippines in Congress  
assembled:  

SECTION 1. Short Title. – This Act shall be known as the “Real Property Valuation  
and Assessment Reform Act.”  

ARTICLE I  
DECLARATION OF STATE POLICY AND OBJECTIVES,  
AND DEFINITION OF TERMS  

SEC. 2. Declaration of Policy and Objectives. – It is the policy of the State to promote  
the development and maintenance of a just, equitable, impartial, and nationally consistent real  
property valuation based on international valuation standards, concepts, principles, and  
practices. Towards this end, the State shall:  

(a) Establish and maintain valuation standards to govern the valuation of real property in  
the country;  
(b) Adopt market value as the single real property valuation base for the assessment of  
real property related taxes in the country, and for valuing or appraising real property  
for various transactions by all government agencies;  
(c) Promote the fiscal autonomy of local governments to provide basic services to their  
constituency by enhancing their capacity to generate local revenues from real  
property;  
(d) Separate the function of valuing or appraising of real properties from the functions of  
tax policy and administering the taxes due thereon;  
(e) Support the development and professionalization of the valuation and appraisal  
practice in the country pursuant to Republic Act No. 9646, otherwise known as the  
“Real Estate Service Act of the Philippines”;  
(f) Provide a comprehensive and up-to-date electronic database of all real property  
transactions;
(g) Support the development of an information database on valuation by continuing research and monitoring of new developments in the valuation discipline for upgrading the country’s valuation and keeping it abreast with global developments; and

(h) Ensure transparency in real property transactions to protect the public and develop confidence in the work of appraisers and assessors.

SEC. 3. Definition of Terms – As used in this Act:

(a) **Appraiser** also known as valuer, refers to a person who conducts valuation/appraisal; specifically, one who possesses the necessary qualifications, license, ability and experience to execute or direct the valuation/appraisal of real property;

(b) **Assessed Value**, also referred to as taxable value, refers to the market value of the property multiplied by the corresponding assessment level;

(c) **Assessment** refers to the act or process of determining the value of a property, or proportion thereof subject to tax, including the discovery, listing, classification, and appraisal of properties;

(d) **Assessment Level** refers to the percentage applied to the market value to determine the taxable value of the property based on property classifications as prescribed in the Local Government Code;

(e) **Assessor** refers to an official in the local government unit (LGU) who is a licensed appraiser, who performs appraisal and assessment of real properties, including plant, machinery and equipment, essentially for taxation and other purposes. This definition also includes **Assistant Assessors**.

(f) **Building** refers to a man-made structure permanently attached to land for residential, commercial, industrial, recreational or other purposes;

(g) **Improvement** refers to a valuable addition made to a property or an amelioration in its condition, amounting to more than a mere repair or replacement of parts involving capital expenditures and labor, which is intended to enhance its value, beauty or utility or to adapt it for new or further purposes;

(h) **International Valuation Standards (IVS)** refers to valuation standards that provide property valuers with a framework composed of recognized principles and concepts as well as internationally accepted definitions and best practices and reporting valuations;

(i) **Land** refers to one of the major factors of production consisting sometimes of a material economic good, which is supplied by nature without the aid of man. Land may include not only the earth surface, both land and water, but also anything that is attached to the earth’s surface. Thus, all natural resources in their original state, such as minerals deposits, wildlife, timber, and fish, are land within the technical meaning of the term; so also are sources of energy, outside of man himself, such as water, coal deposits, and the natural fertility of the soil;

(j) **Machinery** refers to and embraces machines, equipment, mechanical contrivances, instruments, appliances or apparatus which may or may not be attached,
permanently or temporarily, to the real property. It includes the physical facilities for production, the installations and appurtenant service facilities, those which are mobile, self-powered or self-propelled, and those not permanently attached to the real property which are actually, directly, and exclusively used to meet the needs of the particular industry, business or activity and which by their very nature and purpose are designed for, or necessary to its manufacturing, mining, logging, commercial, industrial or agricultural purposes;

(k) *Market value* refers to the estimated amount for which a property should exchange on the date of valuation between a willing buyer and a willing seller in an arm’s length transaction, a transaction between independent, unrelated parties involving no irregularity, after proper marketing wherein the parties had each acted knowledgeably, prudently, and without compulsion;

(l) *Private appraisal sector* refers to licensed non-governmental real estate service practitioners who have been active in the practice of real estate appraisal for the last five (5) years;

(m) *Real estate* refers to the land and all those items which are attached to the land. It is the physical, tangible entity, together with all the additions or improvements on, above or below the ground;

(n) *Real property* refers to all the rights, interests and benefits related to the ownership of real estate. It is a legal concept distinct from real estate, which is a physical asset. There may also be potential limitations upon ownership rights to real property.

(o) *Schedule of Market Values*, hereinafter referred to as SMV, refers to a table of base unit market values for all kinds of real properties, except machinery, within a local government unit prepared by assessors pursuant to existing laws, rules and regulations;

(p) *Special purpose property* refers to a property that is designed, constructed and developed for a specific use or purpose. By its very nature, this type of property is rarely offered for sale in the open market except as part of a going concern. Because of the special design and function, conversion of special purpose properties to other types of development or application is generally not economically feasible; and

(q) *Valuation*, also known as appraisal, refers to the systematic, analytic and logical analysis of the recording of property facts, circumstances, investments and other relevant data resulting in a supportable estimate or professional opinion of the value of a property as of a specific date and for a specific purpose;

ARTICLE III
VALUATION AND APPRAISAL OF REAL PROPERTIES
Chapter 1
Valuation Standards and Market Values

SEC. 11. Development of Valuation Standards. — Notwithstanding the provisions of existing laws to the contrary, the BLGF, shall develop, adopt, and maintain, implement uniform valuation standards which shall be used by all appraisers and assessors in the LGUs and other concerned parties in appraising or valuing lands, buildings, machinery and other real properties for taxation and other purposes. The valuation standards shall conform with the generally accepted international valuation standards and principles.

SEC. 12. Valuation of Real Property. — For valuation purposes, all real properties, whether taxable or exempt, shall be valued or appraised based on prevailing market values in the locality where the property is situated, in conformity with the valuation standards adopted under this Act. The Secretary of Finance shall promulgate the rules and regulations for the valuation and appraisal of real property pursuant to the provisions of this Act.
For real properties intended for low-cost or socialized housing and other programs of the
government imbued with social policy objectives, the provisions of existing pertinent laws shall
be applied after determination of the prevailing market value of these properties in accordance
with generally accepted international valuation standards.

SEC. 13. Preparation of Schedule of Market Values. – The provincial assessors
together with municipal assessors, and city assessors, including the municipal assessor in
Metropolitan Manila Area, shall prepare the SMV for the different classes of real property
situated within their respective LGUs, pursuant to the valuation standards, rules, regulations and
other specifications set by the DOF. The proposed SMV shall be submitted to the BLGF
Regional Office and the BIR Regional Office for their joint review and to ensure that the SMV
complies with other requirements within ninety (90) days from receipt of the BLGF and BIR
regional offices.

SEC. 14. Approval of Schedule of Market Values. – The Secretary of Finance shall
approve the SMV within sixty (60) days from receipt of the joint endorsement of the BLGF
Executive Director and the Commissioner of Internal Revenue; otherwise, said schedule shall
be deemed approved.

The approved SMV shall be published by the DOF in the Official Gazette or in at least
two (2) newspapers of general circulation, which shall take effect after fifteen (15) days upon
compliance with its publication requirements.

The DOF shall post in its official website the approved SMV and furnish the same to the
concerned LGU, through the BLGF, and the BIR.

SEC. 15. Setting Assessment Levels and Tax Rates. – The approved SMV shall be
transmitted to the concerned assessor who shall confer with the local chief executive regarding
the approved SMV. The assessor, in coordination with the local treasurer, shall estimate the tax
impact of the new SMV as against the existing assessment levels and tax rates, calculate the
expected level of tax burden that the taxpayers will bear based on the new SMV and
recommend amendments on the assessment levels and/or tax rates. The assessor shall
prepare a minimum of at least three estimates of the tax impact based on different scenarios
and submit the tax impact report to the local chief executive and the Sanggunian.

The local chief executive shall transmit the approved SMV, together with the tax impact report,
within fifteen (15) days from receipt of the same to the Sanggunian for the enactment of an
ordinance setting the appropriate assessment levels and tax rates. During the Sanggunian’s
deliberations prior to the enactment of the tax ordinance, it may call upon the assessor to
provide technical assistance and calculate the tax impact of additional options in order to arrive
at a desired level of tax burden that the Sanggunian will adopt. The concerned Sanggunian shall
enact the tax ordinance upon conduct of public hearings and proper consultations within sixty
(60) days from receipt thereof; otherwise, the existing ordinance on assessment levels and tax rates shall remain in force and effect.

Upon the enactment by the Sanggunian of an ordinance for the assessment levels and tax rates, the local chief shall act within ten (10) days, in the case of cities and the municipality in the Metropolitan Manila Area, or within fifteen (15) days, in case of provinces, to approve the same. Failure of the concerned local chief executive to act on the ordinance within the prescribed period shall render the same approved.

SEC. 16. Publication of Assessment Levels and Tax Rates.—The approved ordinance for the assessment levels and tax rates shall be published by the concerned LGU in a newspaper of local circulation once a week for two (2) consecutive weeks: Provided, however, that in provinces, cities and municipalities where there are no newspapers of local circulation, the same shall be posted in the provincial capitol, including all concerned municipal halls, and city halls and in two (2) other conspicuous public places therein.

SEC. 17. Use of Schedule of Market Values. — The approved SMV shall be used as basis for the determination of real property-related taxes of the national and local governments, as follows:

(a) For purposes of real property taxation, the approved SMV shall in no case be adopted by the LGU less than six (6) months prior to the effectivity of the new assessments to ensure the proper cleansing and updating of records, and notification of property owners in the conduct of general revision of assessment and property classification.

(b) In computing any internal revenue tax, the BIR Commissioner shall use the SMV, or the actual gross selling price in consideration, as stated in real property transaction documents, whichever is higher.

(c) For other purposes, such as local transfer tax, tax on sand and gravel, community tax, fees and charges, or as benchmark for real property appraisal of other government agencies, the approved SMV may be used upon its effectivity.

Notwithstanding the provisions of existing laws to the contrary, failure to use the SMV and conduct of general revision of assessment and property classification shall render an LGU ineligible for any conditional or performance-based grants or to contract any form of credit financing from the national government.

SEC. 18. Updating of Schedule of Market Values. — All provincial assessors together with the municipal assessors, and the city assessors, including the municipal assessor in Metropolitan Manila Area, shall undertake an updating of their respective SMVs within two (2) years from the effectivity of this Act. Thereafter, they shall undertake an updating of SMVs and conduct of general revision of property assessments not earlier than three (3) years from the date of last revision, but not later than five (5) years. The BLGF shall prepare the schedule for the updating of the SMVs in all provinces, cities and municipalities within the Metropolitan Manila Area.
In case of any significant change in the market where the property is located after the
said SMVs have been approved and prior to next revision, or where correction of errors and
inequalities in any SMV is deemed necessary, or upon the directive of the Secretary of Finance,
the provincial assessors together with the municipal assessors, and the city assessors,
including the municipal assessor in Metropolitan Manila Area, shall recommend revisions to
their existing SMV to the BLGF Regional Office, through the Regional Director of the BLGF
having jurisdiction over the LGU concerned.

Such revision/s shall be subject to review by the concerned BLGF Regional Office and
the BIR Regional Office which shall complete their review and submit their recommendations to
the BLGF Executive Director, in accordance with Section 14 hereof.

SEC. 19. Conduct of Capacity Building Interventions. — The BLGF shall, in
coordination with the Philippine Tax Academy of the DOF, develop and conduct the necessary
training for all local assessors, local officials and staff, and other concerned BIR personnel on
the preparation of the SMV in accordance with generally accepted international valuation
standards, concepts, principles and practices; conduct of SMV impact studies; preparation of
compliance reports, and other subject areas.

Chapter 2
Development and Maintenance of Real Property Market Database

SEC. 20. Development of Real Property Information System. — The BLGF shall
develop and maintain an up-to-date electronic database of the sale, exchange, lease, mortgage,
donation and all other real property transactions and declarations in the country and on the cost
of construction or renovation of buildings and other structure, and on prices of machinery.

For this purpose, the BLGF shall require the mandatory submission of necessary
documents from the concerned officials or employees of national government offices or
instrumentalities, LGUs, and the private sector. The updated database shall be made available
to the LGUs, national government agencies and the private sector: Provided, That the
Commissioner of Internal Revenue or his duly authorized representative shall be allowed
access to the database without need of prior approval: Provided, Finally, That non-submission
of the required documents to the BLGF will be subject to the provisions of Section 28 of this Act.

To further achieve these objectives and ensure efficient real property tax administration,
all provinces, cities and municipalities shall automate their operations, adopt tax mapping
technology, maintain software-enabled valuation system, undertake regular data cleansing and
computerize records management for the efficient performance of their duties and functions.
The National Government, thru the Department of Information and Communications Technology,
shall provide with appropriate equipment and connectivity, information and communications
technology platform, training and capability building programs to third class up to sixth class
municipalities and provinces to ensure compliance with this section. The BLGF shall establish mechanisms for the electronic submission of the required documents in accordance with the succeeding sections of Chapter 2 this Act.

SEC. 21. Duty of Register of Deeds to Supply Assessors with Real Property Transactions Data. – The Register of Deeds shall prepare and submit to the provincial assessors, together with the municipal assessors, and city assessors, including the municipal assessor in Metropolitan Manila Area, and abstract of the entire registry every three (3) months and copies of all contracts selling, transferring or otherwise converting, leasing, or mortgaging real property registered every end of the month. The abstract shall include brief but sufficient description of the real properties entered therein, their present owners, and the dates of their most recent transfer or alienation accompanied by copies of corresponding deeds of sale, donation or partition or other forms of alienation.

SEC. 22. Duty of Official Issuing Building Permits or Certificates of Registration of Machinery to Transmit Copy of the Assessor. – Any public official or employee who may now or hereafter be required by law or regulation to issue to any person a permit for the construction, addition, repair or renovation of a building, or permanent improvement on land, or a certificate of registration for any machinery, including machines, mechanical contrivances and apparatus attached or affixed on land or to another real property, shall transmit a copy of such permit or certification within thirty (30) days of its issuance to the assessor of the province, city or municipality where the property is situated.

SEC. 23. Duty of Geodetic Engineers to Furnish Copy of Plans to Assessor. – It shall be the duty of all geodetic engineers, public or private, to furnish, free of charge, the assessor of the province, city or municipality where the land is located, a copy of the blue or white print of each of all approved original subdivision plans or maps of surveys, duly signed by a Senior Geodetic Engineer, executed by them every end of the month form receipt of such approved plans from the Land Management Bureau (LMB), the Land Registration Authority (LRA), or the Housing and Land Use Regulatory Board (HLURB), as the case may be.

SEC. 24. Duty of Registrar of Deeds and Notaries Public to Assist the Provincial, City, or Municipal Assessor. – It shall be the duty of the Registrar of Deeds and notaries public to furnish, free of charge, the provincial, city or municipal assessor with copies of all contracts selling, transferring, or otherwise conveying, leasing, or mortgaging real property received by, or acknowledged before them within such periods as the BLGF shall prescribe.

SEC. 25. Duty of Assessors to Transmit Documents to the BLGF. – It shall be the duty of the assessors to transmit to the concerned BLGF Regional Office all real property transactions data from the Register of Deeds, and the names of the official issuing the building permit those of the geodetic engineers within one (1) month after the receipt of such data. The BLGF’s Regional Office shall record, process and make a summary report of the real property
data and submit the same to the BLGF Central office within one (1) month from receipt of such data.

Chapter 3
Appointment and Qualifications of Assessors

SEC. 26. Appointment of Assessors. — The local chief executive shall appoint the provincial, city and municipality assessors and assistant assessors, as the case may be, in accordance with the civil service law, rules and regulations, and the following guidelines:

(a) In the case of provincial and assistant provincial assessors and city and assistant city assessors, the appointee shall be chosen from the list of at least three (3) ranking eligible candidates within the region;
