HOUSE BILL NO. 393

Introduced by Representative Luis “Jon-Jon” A. Ferrer IV

EXPLANATORY NOTE

This bill seeks to create two additional branches of the Regional Trial Court in the Fourth Judicial Region to be stationed in the City of General Trias, Province of Cavite.

General Trias (formerly San Francisco de Malabon) is a first class component city, and a lone district in the Province of Cavite. In the 2015 census, the population of the City of General Trias was 314,303 with a density of 3,900 inhabitants per square kilometer. The increasing growth rate is brought about by expanding industrial activities and the booming residential and commercial subdivisions.

The influx of people as well as the corresponding economic growth inevitably resulted in an increase of civil and criminal cases which slowed down the rate of disposition of cases. The proposal to create two additional branches of the Regional Trial Court in the City of General Trias seeks to address the growing demand for the immediate resolution of these cases.

In view of the foregoing, approval of this bill is earnestly sought.
