Republic of the Philippines
HOUSE OF REPRESENTATIVES

House Bill No. 0562

Introduced by HON. RODRIGO A. ABELLANOSA

EXPLANATORY NOTE

Micro, small, and medium enterprises (MSMEs) serve as the backbone of the Philippine economy. In 2015, the Philippine Statistics Authority accounted for 99.5% of existing establishments as MSMEs with micro-enterprises nearly 30% of the total jobs from the sector.

The biggest challenge for these players to date, is access to financing. Credit may be available to them but interest rates are just too high for micro-enterprises to be competitive and still turn a profit.

This bill seeks to institutionalize the "Pondo sa Pagbabago at Pag-assenso", or "P3 Fund" recently introduced by the Small Business Corporation upon the directive of the President. The program offers access to collateral-free credit for qualified micro-enterprises at interest rates lower than those offered by private micro-financing institutions.

With the availability of cheap credit through the P3 Fund, entrepreneurs are given the opportunity to grow their business, compete not just locally but internationally, and continue generating jobs for a greater number of Filipinos.

In view of the foregoing, passage of this Bill is earnestly sought.

RODRIGO A. ABELLANOSA
