

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

EIGHTEENTH CONGRESS
FIRST REGULAR SESSION

House Bill No. **0568**

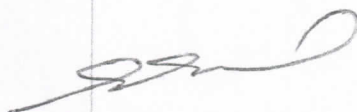

INTRODUCED BY: **Rep. GREG G. GASATAYA**

EXPLANATORY NOTE

It is an elementary principle in law that it is the inherent power and authority of the State to act as the parent of any citizen who is in need of its safeguard and protection. It is the responsibility of the State to look after the well-being of its people especially those who are unable to fully defend and take good care of themselves. Hence, the State serves as the supreme guardian of the welfare of those who are physically disadvantaged brought about by their disabilities.

As the State gives priority to education, among others, to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development, it shall render utmost considerations to the educational needs of all the Persons with Disabilities (PWDs) and their children. The State must provide them equal access to free and accessible education in the form of scholarship grants to help them obtain a college degree. In this way, PWDs and their children will be equipped with necessary educational competencies to enable them to cope up with the socio-economic challenges that confront them. It worth emphasizing time and again that those who have less in life should have more in law.

In view of the foregoing, passage of this Bill is earnestly sought.
