Republic of the Philippines  
HOUSE OF REPRESENTATIVES  
Quezon City, Metro Manila  

18th CONGRESS  
First Regular Session  

HOUSE BILL NO. 593

Introduced by HON. ALLEN JESSE C. MANGAOANG

EXPLANATORY NOTE

This Bill seeks to establish a Kalinga Museum and Cultural Center in the City of Tabuk, Province of Kalinga, to serve as an institutional medium for the collection, preservation and enhancement of the cultural, artistic, archaeological, social and religious heritage of the people of Kalinga.

The Province of Kalinga in the Cordillera Region has already been declared as a Tourism Development Area by virtue of Republic Act No. 10561. It has a very rich cultural heritage handed down from generations. Unfortunately, however, there is no official repository to house its historical items, artifacts and relics of the past. There is no established institution to compile, preserve, display and disseminate information about Kalinga culture, its literature, origin, history, legends, religious practices and all other documents, materials and articles depictive of the culture and history of the land and people of Kalinga. Due to the absence of an official repository and institution, Kalinga artifacts such as the highly prized Chinese jars of the Ming and Yan Dynasties, the decorative beads and necklaces, the gold earrings and other traditional household items of the past are now found in the antique shops in Metro Manila.

This project may be undertaken as a cooperative undertaking of the Provincial Government of Kalinga and other private institutions in coordination with the National Commission on Culture and the Arts (NCCA) and the National Museum.

While the Provincial Government is mandated to provide for the site and location of the herein proposed Museum and Cultural Center, it is reposed upon the national government to provide by way of assistance, some appropriations for the construction of the main building with which to house the facilities of the Kalinga Heritage and Cultural Center.

Considering the merits of this Bill, approval hereof is earnestly requested.

ALLEN JESSE C. MANGAOANG
