House Bill No. ___

Introduced by HON. ROZZANO RUFINO B. BIAZON

EXPLANATORY NOTE

This proposal seeks to exempt the Bureau of Customs and the Bureau of Internal Revenue from the coverage of Republic Act No. 6758, otherwise known as the "Compensation and Position Classification Act of 1989", or the "Salary Standardization Law". It is similar to House Bill No. 4973 filed by House Speaker Pantaleon D. Alvarez and Representative Dakila Carlo E. Cua entitled "An Act Exempting the Bureau of Internal Revenue from the Coverage of Republic Act No. 6758, Otherwise Known as the Salary Standardization Law, As Amended, And For Other Purposes".

Both the Bureau of Internal Revenue (BIR) and the Bureau of Customs (BOC) are agencies tasked to collect taxes and enforce tax laws in the country. They have always registered high in the graft and corruption meter. In order to drastically reduce, if not totally eliminate graft and corruption in these agencies, a system for better recruitment and retention of personnel and the standardization of services should thus be employed in both agencies. It is hoped that this proposed legislation, if passed into law, would further strengthen and capacitate the officials and personnel of the BOC and the BIR for better, more efficient revenue collection.

For these reasons, immediate approval of this bill is earnestly sought.

SEC. 5. SEC. 6. Non-diminution of Salaries. – The BOC and the BIR Compensation and Position Classification System to be developed and recommended by the DOF, as approved by the President, shall apply to all positions, on full or part-time basis, now existing or hereafter created; Provided, That in no case shall there be any diminution in the authorized salaries of incumbent employees of the BOC and the BIR upon the implementation of the approved BIR and BOC Compensation and Position Classification System.
