

Republic of the Philippines
House of Representatives
Quezon City, Metro Manila

Eighteenth Congress
First Regular Session

HOUSE BILL NO. 963

Introduced by the Honorable Ann K. Hofer

EXPLANATORY NOTE

It is embodied in Section 16, Article II of the 1987 Constitution that the State shall protect and advance the right of the people to a balanced and healthful ecology in accord with the rhythm and harmony of nature.

The Underground Tipan Cave in the Municipality of Naga, Second District of Zamboanga Sibugay is a hidden gem that that is already gaining attention from both local and international tourists. The Cave has an impressive gallery of speleothem formation that go as far as 30-meters high, a beautiful karst area with limestone formations, a breathtaking lagoon that serves as habitat for special kind of bats and other species, and a magnificent underground river with fresh waters.

With the Underground Tipan Cave being declared as an ecotourism site, the needed development and promotion for this gem will be recognized. Furthermore, the creation of an ecotourism council will ensure the management and sustainability of the conservation of the Cave and equitable sharing of benefits among the people. It is also expected that such development will boost local government income, generate earnings from foreign exchange, and create employment opportunities for the people residing with the area.

In view of the foregoing, the immediate approval of this measure is earnestly sought.

ANN K. HOFER
