EXPLANATORY NOTE

AN ACT ESTABLISHING A MULTISPECIES MARINE HATCHERY IN THE MUNICIPALITY OF SAN DIONISIO, PROVINCE OF ILOILO AND APPROPRIATING FUNDS THEREFOR

San Dionisio is a fourth class municipality in the province of Iloilo. According to the 2010 census, it had a population of 33,650 people. The town is composed of 29 barangays. San Dionisio is a coastal municipality and agricultural at the same time.

Majority of the people still rely on farming and fisheries for subsistence. Rice, corn, and sugarcane comprise the major agricultural products of San Dionisio. Along its coastal barangays, prawns, crabs and all kinds of fishes are abundant during peak fishing months. Livestock, poultry raising, and tree farming are secondary sources of income of some farmers.

This town has several tourism potential areas located in Barangays Poblacion and Sua.

This Bill seeks to establish a multi-species marine hatchery in the municipality of San Dionisio to catalyze the development of aquaculture in the town which can provide both direct and indirect employment to its people.

The approval of this Bill will contribute to the growth and development of the fisheries sector and allied industries. It will also help increase the income of fisher folks who, together with farmers, require the consistent support of the national government.

The bill was deliberated and approved on Third Reading by the House of Representatives during the 17th Congress.

In view thereof, approval of this Bill is earnestly sought.

RAUL "BOBOY" C. TUPAS
AN ACT ESTABLISHING A MULTISPECIES MARINE HATCHERY IN THE MUNICIPALITY OF SAN DIONISIO, PROVINCE OF ILOILO AND APPROPRIATING FUNDS THEREFOR

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. There shall be established, under the supervision of the Bureau of Fisheries and Aquatic Resources of the Department of Agriculture (BFAR-DA), a multispecies marine hatchery in the Municipality of San Dionisio, Province of Iloilo.

SECTION 2. The BFAR-DA shall, within three (3) years after the establishment of the multispecies marine hatchery, transfer the management of the same to the Northern Iloilo Polytechnic State College (NIPSC) through a memorandum of agreement. The BFAR-DA shall implement a training and phasing-in program for NIPSC personnel on the management and operation of the multispecies marine hatchery.

The BFAR-DA and the NIPSC shall conduct continuing research and experimentation on the breeding and production of marine species, especially as they apply to local conditions, to discover new methods and technology that shall benefit the fisheries industry.

SECTION 3. The Secretary of Agriculture shall include in the Department’s programs the establishment of the multispecies marine hatchery in the Municipality of San Dionisio, Province of Iloilo, the funding of which shall be included in the annual General Appropriations Act. The NIPSC concerned shall set aside funds from any available revenue in an amount deemed appropriate for the operationalization of the hatchery.

SECTION 4. Within sixty (60) days from the approval of this Act, the Department of Agriculture and the NIPSC shall issue the rules and regulations on the establishment, supervision, monitoring, and the eventual transfer of the management of the multispecies marine hatchery to the NIPSC.

SECTION 5. This Act shall take effect fifteen (15) days after its publication in the Official Gazette or in at least two (2) national newspapers of general circulation.

Approved,
