EXPLANATORY NOTE

The Constitution, Article 2, Section 14 provides: The State recognizes the role of women in nation-building and shall ensure the fundamental equality before the law of women and men.

The incidence of domestic violence, rape and sexual assault by strangers and non-strangers, marital rape, and incest has steadily increased in the past few years. Unfortunately, law enforcement agencies are not successful in protecting women against violent crimes because of the inadequacy of existing laws and the underreporting of rape, sexual assault, and violent crimes due to fear of reprisal. Hence, this bill seeks to establish a Task Force that shall develop a uniform law enforcement strategy in order to protect women against violent crime, punish persons who commit such crimes, and enhance the rights of victims of such crimes.

In view of the foregoing, the passage of this bill is earnestly sought.
