Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

18TH CONGRESS
First Regular Session

HOUSE BILL NO. 1188

Introduced by Representative Michael L. Romero

EXPLANATORY NOTE

It is the policy of the republic of the Philippines to hereby protect the fundamental human right of privacy, of communication while ensuring free flow of information to promote innovation and growth.

The State recognizes the vital role of information and communications technology in nation-building and its inherent obligation to ensure that personal information in information and communications systems in the government and in the private sector are secured and protected.

This House Bill seeks to foster protection for individual personal information in information and communications systems in the government and the private sector, providing stiffer provisions, rationalize all existing rules and regulations, and creating a more effective and sufficient data privacy scheme.

Thus, the early passage of this bill is earnestly requested.

MICHAEL L. ROMERO Ph.D.
