First Regular Session

HOUSE BILL NO. 1233

Introduced by: Representatives Shernee A. Tan and Samier A. Tan

EXPLANATORY NOTE

The Maimbung Municipal Port located in the Municipality of Maimbung, Province of Sulu was constructed as a municipal fish port and cold storage facility in 2011 from the funding allocation of the Philippine Fisheries Development Authority (PFDA), Department of Agriculture (DA).

The paramount objective of the establishment of the port was to transform Maimbung into a major fish trading center in Western Mindanao that would effectively provide small fisherfolk and their families sustained source of income and a more stable livelihood.

It is a reality however, that the local government of the said municipality cannot cope with the increasing demands resulting from the growing population with diverse needs and interests. The operation and maintenance, and possible expansion to accommodate more vessels, both passenger and fishing vessels, therefore of the Maimbung Municipal Port would be extremely difficult to bear due mainly to its limited financial resources. There is an urgent need that this port must be managed and maintained by a team of professionals with special skills in port management to ensure its successful operation.

This bill therefore seeks to convert the Maimbung Municipal Port into Maimbung Port Authority in order to ignite the engine of economic development not only of the Municipality of Maimbung but also the localities in the entire Sulu Archipelago.

The foregoing reasons warrant the approval of this bill.
