HOUSE BILL NO. 1328

Introduced by: “KUYA” JOSE ANTONIO R. SY-ALVARADO

AN ACT
MANDATING ALL STUDENTS IN STATE UNIVERSITIES AND COLLEGES (SUCs) RECEIVING SCHOLARSHIPS, GRANTS, OR SUBSIDY FROM THE GOVERNMENT TO RENDER AT LEAST ONE YEAR OF RETURN SERVICE IN THE PHILIPPINES AND APPROPRIATING FUNDS THEREFOR

EXPLANATORY NOTE

The State recognizes the vital role of the youth in national building and shall promote and protect their physical, moral, spiritual, intellectual, and social well-being. It shall inculcate patriotism and nationalism to the youth, and encourage their involvement in public and civic affairs. Likewise, it is our duty to teach the rights and duties of citizenship to the youth.

We must propagate the importance of public service to the youth for the promotion of fair play, justice, and love for our country. We must encourage the youth to be part of public service not only to compensate what the State had given them but to bolster their sense of patriotism. By this method, we can balance the lack of interest of the young generation in the active participation in public and civic affairs.

The purpose of this bill is to eliminate the predicament of finding employment abroad after graduation by imposing to all students who benefited from the scholarship grants from the Government of the Philippines to render at least one (1) year of service. This will create a symbiotic relationship between the student and the government as the scholarship privilege and financial grants will shoulder all the educational expenses of the student while the State will have an assurance that the student who graduated from such scholarship program will be a part of the work force of the State for the development of the Republic of the Philippines.

In view of the foregoing, the immediate approval of this bill is sought.
