HOUSE BILL NO. 1354

Introduced by Rep. Precious Hipolito Castelo

EXPLANATORY NOTE

This bill seeks to postpone and/or reset the forthcoming barangay elections from its originally reset-schedule of second Monday of 2020 to the second Monday of 2023.

Section 2, Article V of the 1987 Constitution provides that Congress shall provide a system for securing the secrecy and sanctity of the ballot. Notably, under Sections 42 and 43 of Republic Act No. 7160, also known as the Local Government Code, elections for local officials shall be held every three (3) years on the second Monday of May, and the term of office of all local elective officials elected after the effectivity of this Code shall be three (3) years, starting from noon of June 30, 1992 or such date as may be provided for by law, except that of elective barangay officials.

Barangay officials are at the forefront of government service and are important figureheads in the community. In light of their importance to the community, the planned barangay elections must be properly conducted in order to give the electorate the best opportunity to exercise their right of suffrage.

The next Presidential and Vice-Presidential elections will be held on the second Monday of 2022. It is already common knowledge that elections are very expensive exercises, usually entailing billions of pesos to conduct.

It is also worth noting that one of the legislative priorities of the President is to enact a new Federal Constitution of the Philippines. Holding the barangay elections in May 2020 and then conducting a separate election for a Constitutional-Convention delegates afterwards will easily double the cost to public coffers. The billions of pesos that can be saved by reason of postponing the barangay elections and holding it simultaneously with the Constitutional-Convention elections can be used instead for other government projects like construction of roads, bridges, school buildings and other urgent endeavors.

The barangay, being the basic unit of our country’s socio-political structure, was designed to be beyond the influence of partisan politics. In fact, the Honorable Supreme Court has clearly pronounced that “it would definitely enhance the objective and impartial discharge of their duties for barangay officials to be shielded from political loyalty” (Occena v. COMELEC, G.R. L-60258, January 1984).

In preparation for a heavily-contested Presidential and Vice-Presidential elections in May 2022, the proposed postponement would in effect give an extension of an additional three (3) years of our incumbent barangay officials. This will give ample time for those barangay and sangguniang kabataan officials to properly implement their plans and projects without having to concentrate expenditures while our country is deliberating on the new Federal Constitution.
In view of the foregoing, approval of this bill is earnestly sought.

HOUSE BILL NO. ___

Introduced by Rep. Precious Hipolito Castelo

EXPLANATORY NOTE

This measure seeks to honor and praise Filipino senior citizens by providing them monetary incentives in the amount of Eighty thousand pesos upon their 80th birthday. This act recognizes the veritable contributions of our elderly to nation building. A community that cares for its elderly is one that is dynamic and abounding in blessings inasmuch as it has found favor from the Providence who mandates for every one to “stand up before the gray head and honor the face of an old man.” It sure is wise to give back to the ones who have offered so much and dedicated their lives’ work not only for the benefit of their loved ones, but practically, for the general welfare of the community.

If only to acknowledge their significant moral and economic contributions, this apt measure should be considered.

Hence, the immediate passage of this measure is sought.
