EXPLANATORY NOTE

This bill aims to convert the road stretching from Barangays Maindang - Agdahon - Mainit - Aagnaga - Carataya - San Antonio - Putian - Mahunod Hunod Roads in the Municipality of Cuartero to Barangays Astorga - Dacuton to National Highway (San Rafael-Iloilo Road) in the Municipality of Dumarao Province, All in the Province of Capiz into a national road.

Roads are the lifeblood of a vibrant economy. In this instance, the said road connects the Province of Iloilo, which is the business center of Panay Island to the 2nd District of Capiz. Hence goods and services from both sides are always traded via this route.

Farmers and Agricultural traders use the road to haul corn, rice, vegetables and other agricultural products including sugarcane among others. The faster delivery of goods and services, the increased trade activity, and the influx of possible investors would boost economic growth. This road is also heavily used by college students from Capiz who are studying in Iloilo, and go home weekly to the Province of Capiz; the said road is also frequently used by ambulances and or other vehicles used by patients to go to Iloilo City for laboratory exams and medical procedures which are otherwise unavailable in the local hospitals of the Province of Capiz.

The local government units of Dumarao and Cuartero could not afford to allocate funds for the maintenance and repair of the said road.

In view thereof, approval of this bill is strongly recommended.
