EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 1773

Introduced by REPRESENTATIVE ERIC L. OLIVAREZ

EXPLANATORY NOTE

Having a mobile phone has become a necessity being the most convenient means of communication; even minors are provided mobile phones by their parents. Specially with mobile data features, almost everyone holds on to their mobile phone and a great majority of our population has a social media account and are connected to their family and friends via cyber space like millions of overseas Filipino workers and their families which use these prepaid SIM cards for their mobile phones.

In our country, having a prepaid SIM card is very easy and affordable, anybody can have one or any amount of prepaid SIM cards since they are disposable and interchangeable at any given time when lost or whenever he or she needs or wants to change his/her number. Literally you can buy it anywhere.

On the other hand, there is a downside to this technology like all technologies when used for the wrong reason or any evil intent.

With this, mobile phone has been an accessory for theft and acts of terrorism. Text scams until now are unstoppable and our law enforcers are helpless since prepaid SIM cards are unregistered. Owners or users of prepaid SIM card numbers are unidentifiable, that is why it is very convenient to use a mobile phone to detonate a bomb like in the Quiapo bombing. Mobile phones with prepaid SIM are also used in other illegal activities.
Such crimes are achieved and difficult to solve since law enforcers cannot find leads to identify prepaid SIM card used in such activities.

This measure proposes to register existing and new prepaid SIM cards with their users. The mandatory SIM card registration will not only protect the public in general but also protect every subscriber from being scammed, or their mobile phone number being used in a scam.

It can also protect a subscriber from harassment and/or bullying through the use of mobile phones because these are perpetuated due to the anonymity of the harasser and/or bully.

With this measure, I hope that this will end text scams and mobile phones being used as bomb detonators.

House Bill No. _______

Introduced by REPRESENTATIVE ERIC L. OLIVAREZ

AN ACT
REQUIRING THE REGISTRATION OF ALL USERS OF
SUBSCRIBER IDENTITY MODULE CARDS

Be it enacted by the Senate and House of Representatives of the
Philippines in Congress assembled:

SECTION 1. Short Title. — This Act shall be known as the
“Subscriber Identity Module (SIM) Card Registration Act.”

SECTION 2. Declaration of Policy. — The State recognizes
the vital role of information and communications technology in
nation building.

The introduction of modern telecommunications technology
with the view of providing the widest information dissemination is
greatly encouraged, but possession of the most modern technology
carries with it tremendous responsibility. Thus, a mechanism must
be installed to maximize the benefits of modern
telecommunications technology and to deter illegal or malicious
utilizations of the same that benefit only a few.

Towards this end, the State shall require the registration of all
users of subscriber identity module (SIM) cards.
SECTION 3. Definition of Terms. – As used in this Act:
   a) Direct seller refers to a person, natural or juridical, who
directly dispenses or sells a SIM card to an end user;
   b) End user refers to any individual/subscriber who directly
purchases a SIM card from a direct seller;
   c) Postpaid subscription refers to the subscription wherein
service is provided by virtue of a prior arrangement with a public
telecommunications entity, and the end user thereof is billed at
the end of the monthly billing cycle according to the use of mobile
service;
   d) Prepaid subscription refers to the subscription wherein
credit is purchased in advance of service use. The purchased credit
is used to pay for mobile phone services at the point the service is
accessed or consumed. If there is no available credit, then access to
the requested service is denied;
   e) Public telecommunications Entity or PTE refers to any
person, natural or juridical, government or private, engaged in the
provision of telecommunications services to the public for
compensation;
   f) SIM refers to the Subscriber Identity Module which is an
embedded circuit that securely stores international mobile
subscriber identity and related keys used to identify and
authenticate subscribers on mobile devices, such as mobile phones
and computers;
   g) SIM card refers to a removable card into which an
electronic integrated circuit is embedded and is transferrable
between different mobile devices;
   h) SIM card registration refers to the process of recording and
verifying mobile phone number and personal information of a
subscriber, by a PTE or other direct seller, including the
subscriber’s full name, date of birth, gender, and address.

SECTION 4. Sale and Registration of SIM Cards. – Every
PTE or direct seller shall require the end user of a SIM card to
present valid identification with photo to ascertain the latter’s
identity. The PTE or direct seller shall further require the end user
to accomplish and sign a control-numbered registration form
issued by the respective PTE of the SIM card purchased. The
registration form shall include an attestation by the end user that
the person appearing before the direct seller is the same person
who accomplished and signed the registration form and that the
identification documents presented are valid and correct. Failure of
an end user to comply with the requirements under this Section
shall be a ground for the PTE or direct seller to refuse the sale and issuance of a SIM card.

Except in cases where the PTE is the direct seller, the accomplished registration form must be submitted by the direct seller to the concerned PTE within (15) days from the date of sale. Failure on the part of the direct seller to comply under this Section shall constitute a violation of this Act.

SECTION 5. **Coverage of Registration.** – All direct sellers are hereby mandated to register the following information in the SIM card registration form:

a) Full name, date of birth, gender, and address of the end user appearing in a valid government-issued identification document with photo. SIM card end users shall be required to present the original copy of any of the following valid government identification documents (ID) with photo:

1. Passport;
2. Digitized Social Security Service (SSS) ID;
3. Government Service Insurance System (GSIS) e-Card;
4. Driver’s License;
5. Firearms’ License to Own ad Possess (LTOP) ID;
6. Professional Regulation Commission (PRC) ID;
7. Integrated Bar of the Philippines (IBP) ID;
8. Overseas Worker’s Welfare Administration (OWWA) ID;
9. Digitized Bureau of Internal Revenue (BIR) ID;
10. Voter’s ID;
11. Senior Citizen’s card;
12. Person with Disabilities card; or
13. Other government issued ID.

In the absence of any of the above IDs, a National Bureau of Investigation (NBI) clearance, Police clearance, or a Philippine Statistics Authority (PSA) Certified Birth Certificate with an ID picture taken within the last six (6) months prior to the purchase of a SIM card shall suffice. The direct seller may make further inquiries or require the submission of additional identification, if necessary. The purchase of a SIM card may be withheld pending submission of the additional requirements.

b) Assigned cell phone number of SIM card(s) and its serial number.
In case of end users who are foreign nationals, they shall register their full name, passport number, and address in the SIM card registration form upon presentation of the following:

a) For foreign nationals visiting as tourists for not more than thirty (30) days:
   1. Passport;
   2. Proof of address in the Philippines;
   3. Return ticket to own country of the tourist or any other ticket showing the date and time of departure from the Philippines; and
   4. Any other information as may be required by the Department of Information and Communications Technology (DICT).

b) For Foreign nationals staying for more than thirty (30) days either as workers or students:
   1. Passport;
   2. Full name as indicated in the passport;
   3. Proof of address in the Philippines;
   4. Alien Employment Permit issued by the Department of Labor and Employment (DOLE); school registration and ID for students; and
   5. Any other information as may be required by the DICT.

SECTION 6. Submission of Registration Form. – The registration form shall be accomplished in triplicate, and forwarded by the direct seller to the concerned PTE. The concerned PTE shall submit a copy of the duly accomplished registration form to the DICT within fifteen (15) days from the date of sale or receipt of such from their respective direct sellers. The required registration form and copies thereof shall be certified by the direct seller or any other duly appointed officer of the PTE.

SECTION 7. Submission of Verified List of Dealers or Agents. – The PTE shall submit to the DICT, within thirty (30) days from the date of effectivity of this Act, a verified list of their current authorized dealer/agents nationwide. The PTE shall submit to the DICT and National Telecommunications Commission (NTC), every quarter of each year an updated list of the same.

SECTION 8. Confidentiality Clause. – Any information in the SIM card registration shall be treated as absolutely confidential,
unless access to information has been granted upon written consent of the subscriber: Provided, That the waiver of absolute confidentiality shall not be made a condition for the approval of subscription agreements. The confidentiality clause in the SIM card registration shall take effect at the point of sale.

SECTION 9. Disclosure of Information. – Notwithstanding the provisions of Section 8 hereof and in accordance with Sec. 12(e) of Republic Act No. 10173, otherwise known as the “Data Privacy Act of 2012”, the PTE or the DICT shall be required to disclose the full name and address contained in the SIM card registration, upon a duly issued subpoena or order of a court upon finding of probable cause, or upon written request from a law enforcement agency in relation to an ongoing investigation, that a particular number is used in the commission of a crime or that it was used as a means to commit an unlawful act.

SECTION 10. SIM Card Register. – All PTEs are required to maintain a SIM Card Register of their subscribers containing information required under Section 5 of this Act and to submit the same to the DICT every six (6) months.

In case of loss of SIM card or any change in information contained in the registration form after purchase of the SIM card, the subscriber shall notify the PTE within forty-eight (48) hours from such loss or change in information. Within fifteen (15) days from receipt of notification from the subscriber, the concerned PTE must notify the DICT of such loss or change in information.

The PTEs are required to keep the date of their subscribers and the DICT shall ensure that this data is kept with utmost confidentiality.

SECTION 11. Registration of Existing Prepaid Mobile Phone Subscribers. – All existing mobile phone subscribers with prepaid SIN cards required to register with their respective PTE within one hundred eighty (180) days from the effectivity of this Act. An extension period of no longer than one hundred twenty (120) days shall be allowed upon a valid written request to the DICT.

Failure to register within the prescribed period shall authorize the PTE to automatically deactivate its services to the concerned prepaid SIM card subscriber.
SECTION 12. Penalties. – The following penalties shall be imposed for failure to comply with any of the provisions of this Act:

(a) If the offense is committed by a PTE, the President and other executive officers shall be held liable, and the following penalties shall be imposed:

(1) First offense: a fine of Three hundred thousand pesos (Php 300,000.00)
(2) Second offense: a fine of Five hundred thousand pesos (Php 500,000.00)
(3) Third and subsequent offenses: a fine of One million pesos (Php 1,000,000.00) for every offense.

(b) If the offense is committed by a direct seller, a penalty of suspension of its operation and a fine of Five thousand pesos (Php 5,000.00) to Fifty thousand pesos (Php 50,000.00) shall be imposed.

(c) If the offense is committed by an officer or employee of an implementing agency under this ACT, a penalty of suspension or dismissal from service and a fine to be determined by the court shall be imposed without prejudice to the filing of an appropriate criminal, civil and administrative case.

SECTION 13. Implementing Rules and regulations (IRR). – Within ninety (90) days from the effectivity of this Act, the DICT, in coordination with the NTC and other concerned agencies, shall promulgate the rules and regulations and other issuances as may be necessary to ensure the effective implementation of this Act.

SECTION 14. Transitory Provision. – Only direct sellers who have been authorized by PTEs and the NTC, shall be allowed to sell prepaid SIM cards. Upon the effectivity of this Act, all PTEs are mandated to recall all prepaid SIM cards for sale to the public by those establishments not authorized by it. Otherwise, they shall be imposed the penalties prescribed in this Act.

SECTION 15. Separability Clause. – Should any part of this Act be declared unconstitutional or invalid, other provisions hereof that are not affected thereby shall continue to be in full force and effect.

SECTION 16. Repealing Clause. – All laws, decrees, executive orders, proclamations, rules and regulations, and issuances, or parts thereof which are inconsistent with the provisions of this Act, are hereby repealed, amended or modified accordingly.
SECTION 17. Effectivity. – This Act shall take effect fifteen (15) days after its publication in the

Approved.
