EXPLANATORY NOTE

The law has to adapt to meet the changing times, especially laws that affect the daily lives of majority of the Filipino people. This duty of the legislature is thus required for Republic Act 4136 "AN ACT TO COMPILE THE LAWS RELATIVE TO LAND TRANSPORTATION AND TRAFFIC RULES, TO CREATE A LAND TRANSPORTATION COMMISSION AND FOR OTHER PURPOSES", otherwise known as the "Land Transportation and Traffic Code".

The foregoing law was promulgated in 1964. The said law only allowed motorcycles to be registered as a private automobile. In addition to such restriction, the law specifically removes from the Commissioner of Land Transportation the discretionary authority to register it specially under subsection (q) of Section 7 by specifically stating “motor vehicles registered under these classifications (referring to motorcycles) shall not be used for hire under any circumstances and shall not be used to solicit, accept, or be used to transport passengers or freight for pay.”

Given the emergence of the internet and applications that allow a person to get door to door transportation and the already prevalent “habal-habal” riders or motorcycle riders that offer transportation services, there is a great need to amend the law to grant the Land Transportation Franchising and Regulatory Board (“LTFRB”) authority to regulate public transportation offered by two-wheeled motorcycles.

In line with the foregoing, the passage of this bill granting the LTFRB regulatory powers over two-wheeled motorcycles is earnestly sought.
