Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

Eighteenth Congress
First Regular Session

HOUSE BILL NO. 1900

Introduced by Hon. Mark O. Go

EXPLANATORY NOTE

This bill seeks to revise the current charter of the City of Baguio to cater to the present needs of the city and its people.

The charter of Baguio City took effect on September 1, 1909 by virtue of Sections 2540-2574 of the Revised Administrative Code of 1917, as amended. The social, economic and political situation during the early years of Baguio City was so much different from that of the present. Thus, there is a great need to revise the charter to enable it to keep up with the fast-changing times and to address the city’s present problems, issues and concerns.

It can be recalled that there were already bills revising the charter of Baguio City filed during the Thirteenth (HB3617), Fourteenth (HB 2813), Fifteenth (HB 121), Sixteenth (HB 4772) and Seventeenth (HB 8240) Congresses. President Benigno S. Aquino III vetoed HB 121 during the 15th Congress.

The present proposed measure still carries similar objectives, primarily to include the effective implementation of the city government’s land use development plan, settlement of the boundary dispute of the city with the adjoining Municipality of Tuba, addressing the problem in the disposition of alienable and disposable public lands with the Baguio town site reservation, and the creation of a more responsive taxation system and revenue generating projects.

Having consulted and dialogued with resource persons and stakeholders, this proposed bill made the necessary changes to address the objections raised by President Aquino when he vetoed a similar bill (HB121) in the past. The present bill makes it clear among others, that the Department of Environment and Natural Resources retains exclusive mandate over, control and supervision of alienable and disposable public lands and that the revised charter does not interfere in the disposition of public properties owned by the Bases Conversion and Development Authority.

In view of the foregoing considerations, in order to achieve effectiveness and efficiency in local governance and to promote the general welfare of the people of Baguio City, approval of this bill is highly and earnestly recommended.

MARK O. GO
