EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 1926

Introduced by: "KUYA" JOSE ANTONIO R. SY-ALVARADO

AN ACT
ESTABLISHING JOB PLACEMENT OFFICES IN PUBLIC HIGH SCHOOLS TO PROVIDE CAREER SERVICES TO THE YOUTH

EXPLANATORY NOTE

The K to 12 program is globally recognized to provide sufficient time for mastery of concepts and skills, develop lifelong learners, and prepare graduates for tertiary education, middle-level skills development, employment and entrepreneurship.

This program is advantageous not only in cultivating the learning of each student but also prepares them to become globally competitive for employment after completing Grade 12. Unfortunately, there is no guarantee that the young graduates of K to 12 program will automatically gain employment since there is no support that will help them find a job.

The purpose of this bill is to create an employment placement office or Trabajo Centers in every public high schools in the country to bridge the gap between the demands of the job market and the supply of young graduates with their respective skill set and training. Among the functions of Trabajo Centers or Employment placement office shall include coordinating with different industries and business corporations to our academic institutions for possible working opportunities, providing career coaching for students and eventually facilitating the employment of young graduates.

In view of the foregoing, the immediate approval of this bill is sought.
