

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
First Regular Session

1984

House Bill No. _____

Introduced by Honorable FREDERICK W. SIAO

EXPLANATORY NOTE

This bill seeks to separate the Iligan City East National High School – Santiago Annex (ICENHS - Santiago Annex) situated in Barangay Santiago, Iligan City, from its mother or administrative school, the Iligan City East National High School (ICENHS) situated in Barangay Sta. Filomena, Iligan City, and converting it from an annex school into an independent national high school to be known as the Santiago National High School (SNHS).

The passage of this proposed measure is intended to address the very need for a more functional, independent and financially stable secondary school and to promote fair accessibility and quality education for all secondary students in the above-mentioned Barangay and its adjacent Barangays. Indeed, accessibility to quality and affordable education that extends to the poorest of the poor has been one of the national government's thrusts in eradicating poverty as it is henceforth provided by way of the passage of this bill.

This bill was approved by the House as substitute House Bill No. 6824 and was already transmitted to the Senate during the Fifteenth (15th) Congress and was refiled again as House Bill No. 2333 during the Sixteenth (16th) Congress and refiled again as House Bill No. 3573 during the Seventeenth (17th) Congress.

In view of the foregoing, approval of this bill is earnestly sought.
