AN ACT ESTABLISHING JOB PLACEMENT OFFICES IN PUBLIC HIGH SCHOOLS TO PROVIDE CAREER SERVICES TO THE YOUTH

EXPLANATORY NOTE

The introduction of the K-12 education system was meant to enhance the employability of high school graduates, so that they may be more competitive in the workforce, even without taking college or vocational courses.

There has been increasing concerns regarding the employment of senior high school graduates, particularly with access to job opportunities. This bill seeks to assist these graduates so that they may take advantage of their education, and be able to seek employment immediately after graduation from high school.

Considering the rationale stated above, the approval of this Bill is earnestly sought.
