HOUSE BILL NO. 

Introduced by Congressmen Jumel Anthony I. Espino

EXPLANATORY NOTE

This bill seeks to declare the Tinakayanan Falls in the Municipality of Labrador, Province of Pangasinan as an ecotourism zone.

The Tinakayanan Falls is one of the finest attractions hidden in the Municipality of Labrador, Province of Pangasinan. The falls is untouched by human intervention hence its water is like a purified drinking water. The falls evokes a majestic scene with its thunderous roaring sound of water flowing and its cool waters inviting.

One can only reach the falls through a trail as there is no road going there. Hence one can only hike or bike on the said trail.

With the proposal to develop the Tinakayanan Falls into an ecotourism zone, we hope to generate economic growth by providing employment opportunities through tourism activities among the residents of the Municipality of Labrador. A road should likewise be constructed for an easy access of tourists coming from different places to the natural waterfalls.

In view of the foregoing, approval of this bill is earnestly sought.
