EXPLANATORY NOTE

This bill seeks to establish a national high school in Barangay Tambacon, Municipality of Magsaysay, Lanao del Norte.

Promoting the right to quality education at all levels is one of the major mandates of the 1987 Constitution, Section 1, Article XIV of the 1987 Constitution provides that:

"The State shall protect and promote the rights of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all."

Barangay Tambacon is one of the barangays in the outlying area of the Municipality of Magsaysay. The barangay does not have an existing high school. The nearest high school is in Barangay Baguguicon which is about three kilometers away.

Establishing a national high school in Barangay Tambacon will provide access to the much-needed education and the expenses in sending these students to school will be minimized. It will also offer more opportunities for the youth to be productive members of the society.

To address the needs of the people in Barangay Tambacon and its neighboring barangays to have access to free public education, passage of this bill is earnestly requested.
