AN ACT
DESIGNATING THE MONTH OF NOVEMBER AS BUY PINOY, BUILD PINOY
MONTH TO ENCOURAGE THE PUBLIC AND PRIVATE SECTORS TO
PRIORITIZE THE PURCHASE AND UTILIZATION OF FILIPINO PRODUCTS,
LABOR AND SERVICES

EXPLANATORY NOTE

This bill seeks to give the fullest government recognition to Filipino producers, particularly micro, small and medium enterprises (MSMEs) by declaring the month of November of every year as Buy Pinoy, Build Pinoy Month.

This measure recognizes the MSMEs’ major role in the country’s economic development with their contributions to employment generation, increased incomes, a more equitable distribution of wealth, and rural development.

Government should take stock and help bolster the MSMEs’ contribution to the economy. In the last decade, the MSME sector accounted for 99.6 percent of the registered businesses that employs 63 percent of the labor force living in the country. It is also important to note that 35.7 percent of the total sales and value-added in the manufacturing sector come from MSMEs as well.

MSMEs include restaurants, supermarkets, salons, pharmacies, cooperative farms, upstart technology companies, bakeries, graphic design firms, handicraft outfits, small distilleries, agro-industrial ventures, food processing firms and various services in both the urban and rural areas. The variety of MSMEs nationwide is broad and extensive; each owned and operated by passionate, dedicated and often struggling entrepreneurs.

Filipino entrepreneurs are skilled in maximizing the use of scarce capital resources and are able to partner with large firms by supplying locally available raw materials or semi-processed goods. They find opportunities and take a lot of risks and sacrifices to make their enterprises, employees
and communities better. They are able to effectively increase the local content or the value-added in final goods and services that are processed and marketed by large firms.

Also, MSMEs can be the building blocks for large-scale economic advancement should they be protected and assisted by government to grow and expand. They are making an important contribution to current regional development programs that can be integrated for our country’s drive to industrialization.

By declaring the month of November as Buy Pinoy, Build Pinoy month, it is the authors intention to provide MSMEs and Filipino enterprises in general an opportunity to take center stage in the consciousness of Filipino consumers. This is especially important given the increased consumer spending that occurs during the Christmas season.

In view of the foregoing, passage of this bill is earnestly sought.

Approved,
