Introduced by: “KUYA” JOSE ANTONIO R. SY-ALVARADO

AN ACT
REQUIRING ALL NATIONAL REGIONAL AND PROVINCIAL GOVERNMENT HOSPITALS TO ESTABLISH, OPERATE AND MAINTAIN A DIALYSIS TREATMENT TO INDIGENT PATIENTS

EXPLANATORY NOTE

Sec. 11 of the 1987 Constitution provides that the State shall adopt an integrated and comprehensive approach to health development which shall endeavour to make essential goods, health and other social services available to all the people at affordable cost. There shall be priority for the needs of the underprivileged, sick, elderly, disabled, women, and children. The State shall endeavour to provide free medical care to paupers.

The recent data of the Department of Health shows that the alarming cases of kidney failure or end stage renal diseases are widespread in the country due to the unhealthy lifestyle of many Filipinos and the inadequacy of proper healthcare. The high cost and inaccessibility of the dialysis treatment center and the travel required is impossible to be achieved by the marginalized sector.

The State shall provide the local governments the capacity to provide quality healthcare for their respective indigent constituents by providing dialysis ward for every national, regional and provincial hospitals throughout the entire country.

Hence, this proposal is submitted for consideration.
