AN ACT COMPILING THE TRAFFIC RULES AND REGULATIONS OF THE PHILIPPINES INTO AN OFFICIAL “RULES OF THE ROAD HANDBOOK”

EXPLANATORY NOTE

The biggest contributing factor that causes the road accidents in our country is the disobedience to traffic laws. Many individuals neglect and ignore simple traffic rules that may cause the loss of life, injury and damage to property.

Some individuals drive recklessly or without reasonable caution which the circumstances dictate. This kind of behavior endangers the property, safety and rights of another person that causes obstruction in the road which result to heavy traffic.

The purpose of this bill is to require all motor vehicles to have a copy of the “Rules of the Road Handbook” which contains the rules on proper behavior, road safety, defensive driving and traffic discipline.

In consideration of the foregoing premises, the passage of the bill is urgently sought.
