Republic of the Philippines  
HOUSE OF REPRESENTATIVES  
Quezon City  

EIGHTEENTH CONGRESS  
First Regular Session  

House Bill No. 2220  

Introduced by Rep. ANGELO MARCOS BARBA  
2nd District, Ilocos Norte  

EXPLANATORY NOTE  

This bill seeks to create a Special Economic Zone and Freeport in the Province of Ilocos Norte to further reduce poverty by promoting and accelerating a sound and balanced industrial, economic and social development, creating jobs and improving productivity, especially in rural areas, and increasing individual and family incomes.

Special economic zones (SEZs) have been regarded as an effective tool in addressing the challenges of globalization. Countries like China, Singapore, Malaysia and South Korea have been quite successful in adopting SEZs as a way of attracting foreign investments, job creation, and export generation. In fact, in the Philippines, SEZs have opened employment to more than 2,000,000 Filipinos and a total investments amounting to billions of pesos.

The creation of a Special Economic Zone in the Municipalities of Badoc, Currimao, Paoay, and Laoag City is an ideal economic strategy. The Currimao Port, for instance, is a domestic cargo transhipment facility for both local and international ships and may further accommodate cruise ships in the near future. The Laoag International Airport, on the other hand, caters to both domestic and international flights from China, Hong Kong and Taiwan. Establishing a Special Economic Zone in these areas will therefore bring economic diversity and benefits to the province.

This bill, as previously filed by Rep. Imelda R. Marcos, was approved on Third and Final Reading during the 17th Congress.

In light of the foregoing, the immediate passage of this measure is earnestly sought.
