Republic of the Philippines
House of Representatives
Quezon City, Metro Manila

EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 2269

Introduced by Representative Francisco Jose F. Matugas II

EXPLANATORY NOTE

This bill is part of several amendments to the Local Government Code (the “Code”) approved by the House of Representatives during the 17th Congress and transmitted to the Senate as early as 19 September 2017. It seeks to amend Section 461 (b) of the Code, by adding a proviso on the land area requirement on the creation of a province.

Sections 442 (b) and 450 (b) of the Code explicitly provides, as one of the requisites for the creation of a municipality and city, that “the requirement on land area shall not apply where the municipality [city] proposed to be created is composed of one (1) or more islands.”

While this is so unequivocally provided in the aforementioned Sections, the same is conspicuously missing in Section 461 of the Code or the section providing for the creation of a province.

This bill in effect will correct this seeming anomaly in the law by adding exactly the same provision that applies to the creation of a municipality or a city to that on the creation of a province.

In view of the foregoing, approval of this bill is earnestly recommended.
