EXPLANATORY NOTE

The recently-concluded Marawi Crisis has shown our nation the widespread difficulties our countrymen, not only in Marawi City, but in the Province of Lanao del Sur and in the adjacent Provinces as well, have experienced. It is only just for our Government to extend any help to our fellow Filipinos, particularly those who were displaced because of the conflict.

The destruction that the Battle in Marawi City has caused to the communities in the Province of Lanao del Sur is a clear reason for us to give due consideration to the people who not only lost their homes and loved ones, but their old way of life.

For these reasons, this measure seeks to authorize the use of the lands within military reservations, to be sold to qualified beneficiaries who were displaced because of the armed conflict. This bill is filed to show the people of Marawi City that the Government is here to help them rebuild and rehabilitate their City, as well as give them back their way of life.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
