HOUSE BILL NO. _____

Introduced by REP. FAUSTINO 'INNO' A. DY V

EXPLANATORY NOTE

This bill seeks to include the Punong Barangays, Barangay Kagawads, Barangay Secretaries and Barangay Treasurers in the coverage of the Government Service Insurance System (GSIS).

Barangay Officials are frontliners in the delivery of basic government services to the people. As local community leaders, they play a crucial role in bringing forth development and keeping the peace in their respective areas. The Local Government Code of 1991 (RA 7160) mandates them to plan and implement policies, programs, projects and activities that will achieve these objectives. They are also tasked to provide the forum where collective views of the people may be expressed, crystalized, and considered, and where disputes may be amicably settled.

Despite their important roles, however, Barangay Officials are not considered members of the GSIS. This bill seeks to change this unreasonable state of affairs. The proposed measure, once enacted, will augment the meager compensation and benefits enjoyed by Barangay Officials by including them in the coverage of the GSIS Law.

In view of the foregoing, approval of this bill is earnestly sought.
