HOUSE BILL NO. 2313  

Introduced by HONORABLE WES GATCHALIAN  

AN ACT  
ESTABLISHING A BUSINESS PERMIT AND LICENSING OFFICE IN EVERY CITY OR MUNICIPALITY IN THE COUNTRY  

EXEMPLARY NOTE  

The Philippines is the 13th most populated country in the world and is ranked 39th in terms of nominal GDP per International Monetary Fund (IMF) outlook October 2018 for year 2019 and 2023. However, the country only placed 124th in the Doing Business 2019, a World Bank Group flagship report which provides objective measures of business regulations and their enforcement across 190 economies and selected cities at the subnational and regional level. This means that Philippines’ doing business ranking plummeted from the previous rankings of 113th in 2017 and 99th in 2016 in the same report.

Of the nine doing business indicators, the country performed the poorest in terms of starting a business indicator. In 2018, Republic Act 11032 otherwise known as “Ease of Doing Business and Efficient Government Service Delivery Act of 2018” was enacted to improve government transactions through the adoption of simplified requirements and procedures that will reduce red tape and expedite business and nonbusiness related transactions in the government.

Through the creation of a Business Permits and Licensing Office in every local government unit in the country, this bill aims to address this longstanding problem which had kept the country from realizing its full economic potential.

An intensified effort from the national government as well as in the local sphere will result in a more vibrant and thriving economic atmosphere.
conducive to growth and confidence. The growth at every level of government shall ultimately translate into an increase in decent employment opportunities for all and efficient delivery of government services which will benefit the nation as a whole.

In view of the foregoing, immediate consideration and passage of this bill is earnestly sought.
