HOUSE BILL NO. 2314

**AN ACT ESTABLISHING  
THE SANTOS ENCARNACION ELEMENTARY SCHOOL  
AS A SEPARATE AND INDEPENDENT ELEMENTARY SCHOOL  
AND APPROPRIATING FUNDS THEREFOR**

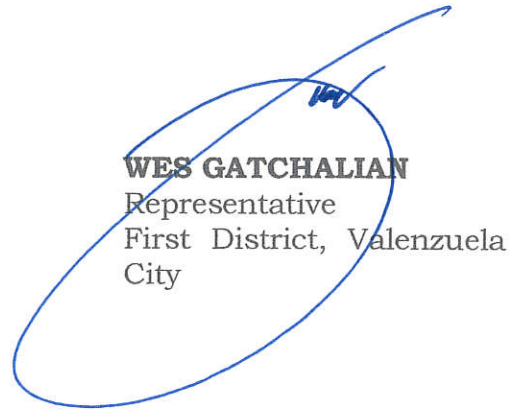

**EXPLANATORY NOTE**

This bill seeks to separate the Santos Encarnacion Elementary School in Dalandanan, Valenzuela City from the Sto. Rosario Elementary School in Maysan Valenzuela City.

The land on which the Santos Encarnacion Elementary School is built on was the former site of the Valenzuela Science High School. Upon the transfer of the Valenzuela Math and Science High School in Malinta, this property was abandoned. The facility was then utilized as an extension site of the Sto Rosario Elementary School in order to solve its problem of congestion of student-enrollees. The school-site extension initiative is now what came to be known as the Santos Encarnacion Elementary School.

The purpose of this bill is to create an independent institution by the removal and separation of the Santos Encarnacion Elementary School from the administration of Sto. Rosario Elementary School. This way, the school is able to self-administer itself in accordance with the

specific demands of the adjunct school and likewise enable its independent development for the betterment and self-sustainability of the community. This would also solve the incongruence of Sto. Rosario being within the second legislative district of Valenzuela City while the site of Santos Encarnacion being in the first district of Valenzuela City.
