HOUSE BILL No. 2333  

Introduced by REP. EVELINA G. ESCUDERO  

EXPLANATORY NOTE  

Section 447 (3) (vi) and Section 458 (3) (vi) of Republic Act No. 7160, otherwise known as the “Local Government Code of 1991,” vest the Sangguniang Bayan and the Sangguniang Panlungsod the authority to regulate the operation of tricycles and to grant the franchise for their operation within their respective territorial jurisdiction, subject to the guidelines prescribed by the Department of Transportation (DOTr).  

Under the guidelines issued by the above agency, as reiterated under the Department of the Interior and Local Government Memorandum Circular Nos. 2011-68 and 2007-07, tricycles are prohibited to ply along the national highways utilized by 4-wheel vehicles greater than 4 tons and where normal speed exceed 40 kilometers per hour. If there is no alternative route or road network available such as routes beyond the town proper, the Sangguniang Bayan and Sangguniang Panlungsod shall provide exception through the enactment of an ordinance.  

It appears, however, that there are still many Sangguniang Bayan or Sangguniang Panlungsod which fail to regulate or enact the ordinance to effectively ban tricycles along national roads. The unregulated tricycle operations pose hazards to commuters and tricycle drivers themselves that so often lead to loss of lives. Further, the presence of tricycles along the national highways where there are buses, jeepneys, cars and other motor vehicles impedes the flow of traffic.  

Through this proposed measure, the operation of tricycles will be effectively banned along the national highways, subject to the exceptions as may be provided by the Sangguniang Bayan or Sangguniang Panlungsod when there is no alternative route or road network available. Further, under this bill, the punong barangay shall be authorized to strictly enforce the tricycle ban.  

To ensure the safety of commuters and pedestrians, approval of this bill is earnestly sought.
