HOUSE BILL NO. 2450  

Introduced by: HON. “KUYA” JOSE ANTONIO R. SY-ALVARADO  

AN ACT PROVIDING FOR A NATIONAL HOUSING DEVELOPMENT, PRODUCTION AND FINANCING PROGRAM REGULARIZING ITS APPROPRIATION FOR ITS IMPLEMENTATION  

EXPLANATORY NOTE  

Article XIII Section 9 of the Constitution provides that “The State shall, by law, and for the common good, undertake, in cooperation with the private sector, a continuing program of urban land reform and housing which will make available at affordable cost, decent housing and basic services to underprivileged and homeless citizens in urban centers and resettlement areas. It shall also promote adequate employment opportunities it such citizens.”  

According to the study made by the University of Asia and the Pacific (UA&P) last 2016, by the year 2030 our country will have a housing need of 12.3 million units – given a backlog of 6.7 million units from year 2001 to 2015, and a projected housing demand of 5.6 million units starting year 2016 to 2030.¹  

External analysis on the components of housing backlog as of May 2012 provided by the Subdivision & Housing Developers Association, Inc. (SHDA) and Housing and Urban Development Coordinating Council (HUDCC) shows that there are almost 916,811 Filipino citizens living in an unacceptable housing, 12,497 homeless, 145,353 living on dilapidated houses, 575,271 informal settlers, 183,689 living in a marginal housing, and almost 457,170 living in a doubled-up Households. These figures are projected to grow drastically not including the massive increase in household of almost 5,675,654.²  

If no special housing and financing program is created to aid and boost our annual housing production capacity, the already existing and continuously growing housing crisis in the country will be very detrimental and burdensome to our nation’s success.  

Thus, the approval of this bill is earnestly sought.

HOUSE BILL NO. 2450

Introduced by: HON. “KUYA” JOSE ANTONIO R. SY-ALVARADO

AN ACT PROVIDING FOR AN NATIONAL HOUSING DEVELOPMENT, PRODUCTION AND FINANCING PROGRAM, REGULARIZING ITS APPROPRIATION FOR ITS IMPLEMENTATION

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. Title. – This Act shall be known as the “National Housing Development, Production and Financing (NHDPF) Act.”

SECTION 2. Declaration of Policy. – It is hereby declared a policy of the state to: a) undertake, in cooperation with the private sector, a continuing program of housing and urban development which shall make available at affordable cost, decent housing and basic services especially to the underprivileged and homeless citizens; b) pursue the realization of a modern, humane, economically viable and, environmentally-sustainable society where the urbanization process is manifest in towns and cities being centers of productive economic activity and is led by market forces; where urban and rural areas have affordable housing, sustainable physical and social infrastructure and services facilitated under the democratic and decentralized system of governance; and where urban and rural areas provide the opportunities for an improved quality of life and eradication of poverty; c) ensure that poor dwellers shall be provide with appropriate and innovative housing program and support mechanisms to discourage further growth of blighted communities; and d) encourage on-site development, whenever feasible, in the implementation of housing programs and shall promote the creation of new settlements with basic facilities and utilities and development of sustainable urban renewal programs.

Cognizant of the rule of housing as stimulus of economic growth and development, it is hereby declared a state policy to strengthen, promote and support the component activities of housing production and finance by ensuring continuous/sustained funding support to scale-up the implementation of the major components of the National housing Development and production Program.
SECTION 3. Statement of Objectives. – Towards this end, the State shall:

a) Increase housing production by forging partnership among housing stakeholders to address the housing needs of the Filipino families by 2040.

b) Generate and mobilize funds for housing purposes of Filipino families, giving priority to the homeless and underprivileged.

c) Ensure the provision of support mechanisms/subsidy program to improve access of Filipino families to a variety of housing options.

d) Guarantee the development of a strong, sustainable, accessible and affordable housing finance system.

e) Encourage public and private sector participation in the implementation of government National Housing Development and production Financing program.

SECTION 4. National Housing Development Production Program Implementation. – Consistent with the aforementioned policy and objectives, the Department of Human Settlements and Urban Development (DHSUD) and its attached Key Shelter Agencies, shall intensity the implementation of the vital components of the national Housing Development Production and Financing Production. The implementation of this program shall be carried out by the following agencies:

National Housing Authority (NHA) – the sole national government agency tasked to implement and develop the following housing programs intended for the bottom 30% of the income population.

1) Resettlement – This program addresses the requirements of families affected by a) government infrastructure projects, b) those living along danger areas and c) those affected by Supreme Court Mandamus. It entails the provision of vertical (from 5 to 5-storey residential building) and/or horizontal housing units, community facilities, socioeconomic and other community support programs.

The program also involves the implementation of local/regional resettlement projects as joint National Government-Local Government undertakings to address the resettlement requirements of Local Government Units (LGUs) outside Metro Manila involving families in danger areas, those affected by infrastructure projects, indigenous peoples and former rebels.

The government infrastructure agencies shall submit an inventory of INFORMAL Settler Families to be affected by their projects and their location to the appropriate housing agencies at least two years prior to its implementation and shall incorporate in their respective project costs the amount needed for the relocation and resettlement of affected families.
2) Government Employees Housing Program – this program is intended to provide decent and affordable housing to low-salaried government employees.

3) Settlement Upgrading – this program aims to address the security of tenure and infrastructure requirements of informal settlement on government-owned lands proclaimed or designated as socialized housing sites.

4) Housing Program for Calamity Victims – this program is intended to respond to the housing needs of low and marginal-income and/or informal shelter families for transitional and/or permanent shelter affected by calamities such as typhoons, landslides, earthquakes, and fires for relocation for safe areas.

5) Land banking – this refers to the acquisition of land, which includes idle government lands, at values based on existing use in advance of actual need to promote planned development and socialized housing programs with a view to distribute the land to qualified socialized housing beneficiaries.

It covers survey and titling of individual lots for disposition to qualified occupants, infrastructure development, housing construction and rehabilitation of existing project sites.

Social Housing Finance Corporation (SHFC) – mandated to undertake social housing programs that will cater to the formal and informal sectors in the low-income bracket and to take charge of developing and administering social housing programs, particularly the Community Mortgage Program and its different modalities;

6) Community Mortgage Program (CMP) – this is a mortgage financing program, which assists legally organized associations of underprivileged and homeless citizens to purchase and develop a tract of land under the concept of community ownership. The primary objective of the program is to assist residents of blighted or depressed areas to own the lots they occupy, or where they choose to relocate to, and eventually improve their neighborhood and homes to the extend of their affordability. The different modalities of the CMP are as follows:

a) Sector CMP – a CMP modality that caters to the different sectoral groups including but not limited to the basic sector groups needing resettlement assistance. A sectoral group represents a group or coalition of persons who share similar concerns and interests and intend to avail to resettlement assistance from SHFC, including Indigenous Peoples (IPs), Indigenous Cultural Communities (ICCs) and other ethnic monitory groups.

b) Housing for peace Process and Nation Building CMP - a CMP modality which would lead to the achievement of national peace and development through the provision of housing to former rebels/rebel returnees (FR/RR). This also includes rebuilding damaged or destroyed homes in post conflict-areas of internally-displaced persons (IDPs).

c) Post-Disaster Rehabilitation and Reconstruction CMP – a CMO modality which provides assistance to community housing projects in times of disaster. This program allows the communities to immediately embark on house construction and site
development which adhere to the minimum standards and specifications of the design and structural components of disaster-resilient housing projects, as well as materials.

d) Industrial Workers CMO – a CMP modality intended primarily for low-income employees of companies engaged in agro-industrial, industrial processing zone, tourist, recreational, commercial and other enterprises.

e) Site Upgrading/Development CMP – a CMP modality intended to provide site development and housing/building construction loans for projects whose lands are donated by private or public entities applicable to both on-site or resettlement projects.

f) Mixed-use CMP – a CMP modality aimed at developing a self-sustaining community by having a balanced mix of residential and commercial spaces, well developed infrastructure and recreational amenities along with green and open spaces and wellness areas. Under this modality, 9% of the project area shall be allotted for green spaces and 1% of project area for friendly facilities of Persons with Disabilities (PWD)

National Home Mortgage Finance Corporation (NHMFC) – A government corporation mandated to increase the availability of affordable housing loans to finance the Filipino homebuyers on their acquisition of housing units through the development and operation of a secondary market for home mortgages.

7. Securitization – this refers to the development of the secondary market for home mortgages and other housing related receivables, conveyances and financial instruments and the development/promotion of and investment in new housing-related financial instrumental and investment vehicles and the capital markets thereof. Furthermore, this would also increase and sustain funds available for housing and home development.

Department of Human Settlement and Urban Development (DHSUD) – the primary national government entity responsible for the management of housing, human settlement and urban development including the implementation of the following programs:

8. Public Housing – this is a housing that is owned and/or managed by the government for the purpose of providing security of tenure to the underserved families including but not limited to the development of proclaimed socialized housing sites intended to promote the establishment of new towns, new settlement, and urban renewal.

9. Subsidy – This is a financing assistance scheme intended to enhance the affordability of well targeted and most financially incapable segment of the society. It is a grant extended to qualified low-income beneficiaries under the National Housing Development and Production Financing program under any of the following alternative subsidy schemes:

a) Extension of Interim Shelter Fund to each of the family-beneficiaries which they can use to find safe residency and livelihood to support their families, pending the completion of their housing units in the relocation sites.

b) Payment for upfront cost equivalent 5% of the project cost (e.g. mortgage insurance, titling, etc.); and
c) Monthly payment subsidy for the first five years of the load period in accordance with section 3 (a) of RA 6846 or the Social Housing Support Fund Act. The department shall be authorized to establish the qualification and income requirements of borrowers who will qualify for the amortization support subsidy.

The DHSUD, in coordination with the LGUs and other national government agencies, shall be authorized to formulate the criteria and guidelines to select the beneficiaries that may qualify for the subsidy program.

10. Public Rental Housing – this program involves the extension of fiscal assistance of up to a maximum of 50% of the total construction cost for the National Government Agencies (NGAs) and Local Government Units (LGUs) that shall construct and operate public rental accommodation to eligible low-income families and housing safety net for the vulnerable sectors (e.g. senior citizens, persons with disabilities etc)

The DHSUD shall formulate the guidelines in the implementation of public rental housing assistance including the adoption of the lease/rental buy-back scheme.

11. Survey of proclaimed lands for socialized housing and inventory of government idle lands this involves the survey of all occupied government lands proclaimed by the President as suitable for socialized housing and conduct of inventory of government lands which have been idle for more than ten (10) years except lands owned by the GOCCs and government financial Institutions engaged in shelter financing as part of its fiduciary obligations to its member/or taken possession of in their ordinary conduct of business.

12. Such other program components as may be determined by the DHSUD.
