18TH CONGRESS
First Regular Session

HOUSE BILL NO. 2586

Introduced by Representative Michael L. Romero

EXPLANATORY NOTE

The National Water Resources Board (NWRB) is an agency of the Government of the Philippines working on water resources and potable water. It has policy-making, regulatory and quasi-judicial functions.

The NWRB is responsible for ensuring the exploitation, utilization, development, conservation and protection of the country's water resource, consistent with the principles of "Integrated Water Resource Management".

It is now high time for the government to prioritize water works and services in the national program, and consider water as an integral factor in nation building.

This House Bill seeks to create the Department of Water Resources and Services, the government entity that shall lead the implementation of policies on the promotion and development of water works and water services programs in the country.

MICHAEL L. ROMERO Ph.D.
