The state is very cognizant of its policy to promote a tourism industry that is sustainable, cultural, ecological, accountable, economically feasible, ethically and socially equitable to all its inhabiting populace.

In pursuant to Republic Act 9593 (Tourism Act of 2009), it is certain that these marvelous gifts of nature shall realize such improvement and be an added source of income for its local government and all its residents.

In this regard, the Wawa Dam has its historical significance and constructed over the Marikina River in 1909 as the only source of water supply for the people of the nearby areas. Though, it has lost its very importance, Wawa Dam remains to be a favorite destination of nature lovers, mountain hikers and bikers.

Developing and enhancing the beauty of this natural resource and abandoned reservoir, will surely generate investment and foreign exchange in the area, while providing employment opportunities for the local government and residents within the area.
This House Bill seeks to declare **WAWA dam** in the municipality of Rodriguez, province of Rizal as a *tourist destination*.

Thus, the early passage of this bill is earnestly requested.
