EXPLANATORY NOTE

This bill covers the second package of the Duterte administration's comprehensive tax reform program. It complements the recently-passed Tax Reform for Acceleration and Inclusion Act or Republic Act No. 10963 by further addressing the inequitability in our taxation system.

Specifically, this measure proposes the lowering of corporate income tax rate, reforming the corporate income tax system, broadening the tax base by modernizing investment tax incentives, removing excessive tax exemptions and privileges given to certain industries, and limiting the grant of tax incentives to strategic industries and lagging regions.

Through these amendments, we will be able to enhance fairness, improve competitiveness, plug leakages, and achieve fiscal sustainability. In view of the foregoing considerations, the immediate passage of this bill is earnestly sought.

AURELIO D. GONZALES, JR.
